Subject: scdnr request for community status

Per our understanding that FEMA is considering a request from SCDNR to be designated as a "community", we plan to provide FEMA a legal opinion on that matter by next Friday. It will confirm that the law will not allow SCDNR to be designated as a "community" by FEMA. Therefore, please do not make a final decision on this matter until you have reviewed the legal opinion that we will provide.

thanks,

[redacted]
