Get flood insurance coverage for your personal belongings.

Clothes. Electronics. Furniture. You've built a life with things that matter to you and your family. And when a flood damages them, it can be emotionally and financially devastating.

Protect what's important to you. Having flood insurance is crucial to protect your belongings and ensure that your family fully recovers after a flood.

If you live in a low- to moderate-risk flood area, the NFIP offers a lower-cost flood insurance option for your belongings: the Preferred Risk Policy (PRP), starting at $100 a year, including taxes and fees.
