SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. App. (Pub. L. 92-463). The National Advisory Council (NAC) advises the Administrator of the Federal Emergency Management Agency (FEMA) on all aspects of emergency management. The NAC incorporates State, local, and Tribal governments, and private sector partners’ input in the development and revision of FEMA policies and strategies. FEMA’s Office of the NAC serves as the focal point for all NAC coordination.

Agenda

The NAC will meet for the purpose of reviewing the progress and/or potential recommendations of the following NAC subcommittees: Preparedness and Protection, Response and Recovery, Public Engagement and Mission Support, and Federal Insurance and Mitigation. The NAC will discuss “Whole Community” concept and how to effectively engage all members of the community. In the area of flood risk mapping, discussions will focus on messaging and risk perception. The

NAC will hold discussions on the Presidential Policy Directive 8 (PPD-8) on National Preparedness, the Strategic Foresight Initiative (SFI), the Emergency Management Institute, and the Radiological Emergency Preparedness (REP) Program. Additionally, members appointed on June 15, 2011, will be sworn-in during the first day of the meeting.

PPD-8, signed on March 30, 2011, directs the development of a national preparedness goal that identifies the core capabilities necessary for preparedness and a national preparedness system to guide activities that will enable the Nation to achieve the goal. PPD-8 replaces Homeland Security Presidential Directive 8 (HSPD-8) and Annex 1.

FEMA launched the SFI to promote broader and longer term thinking on world changes that can have major effects on the emergency management community. More information on SFI can be found online at https://www.fema.gov/about/programs/oppa/strategic_foresight_initiative.shtm.

FEMA established the REP Program to (1) Ensure the health and safety of citizens living around commercial nuclear power plants would be adequately protected in the event of a nuclear power plant accident; and (2) inform and educate the public about radiological emergency preparedness. More information on the REP Program can be found online at http://www.fema.gov/about/divisions/thd_repp.shtm.

this Notice to identify Federal buildings
and other real property that HUD has
reviewed for suitability for use to assist
the homeless. The properties were
reviewed using information provided to
HUD by Federal landholding agencies
regarding unutilized and underutilized
buildings and real property controlled
by such agencies or by GSA regarding
its inventory of excess or surplus
Federal property. This Notice is also
published in order to comply with the
December 12, 1988 Court Order in
*National Coalition for the Homeless v.
Veterans Administration*, No. 88-2503-
OG (D.DC).

Properties reviewed are listed in this

unsuitable. The properties listed in the
three suitable categories have been
reviewed by the landholding agencies,
and each agency has transmitted to
HUD: (1) Its intention to make the
property available for use to assist the
homeless, (2) its intention to declare the
property excess to the agency's needs, or
(3) a statement of the reasons that the
property cannot be declared excess or
made available for use as facilities to
assist the homeless.

Properties listed as suitable/available

property is described as for "off-site use
only" recipients of the property will be
required to relocate the building to their

law, subject to screening for other
Federal use. At the appropriate time,
HUD will publish the property in a
Notice showing it as either suitable/
available or suitable/unavailable.

For properties listed as suitable/
unavailable, the landholding agency has
decided that the property cannot be
declared excess or made available for
use to assist the homeless, and the
property will not be available.

Properties listed as unsuitable will
not be made available for any other
purpose for 20 days from the date of this
Notice. Homeless assistance providers
