Vision and Goals

Charting a New Course

Vision

A national housing effort that engages all levels of government and the nonprofit and private sectors so that when a disaster threatens or strikes our Nation:

- We collectively meet the urgent housing needs of disaster victims and
- Enable individuals, households, and communities to rebuild and restore their way of life

National Goals

- Support individuals, households, and communities in returning to self-sufficiency
- Affirm and fulfill fundamental disaster housing responsibilities and roles
- Increase our collective understanding and ability to meet the complex needs of disaster victims and affected communities
- Build capabilities to provide a broad range of flexible housing options
- Better integrate disaster housing assistance with related community support services and long-term recovery efforts
- Improve planning to better recover from disasters, including catastrophic events
