## FUNDING STATUS, LOUISIANA

### Public Assistance Funding for Louisiana and State Payout, Aug. 10, 2007

Total federal funds obligated: \$5.0 billion

In Millions

\*Includes administrative costs.

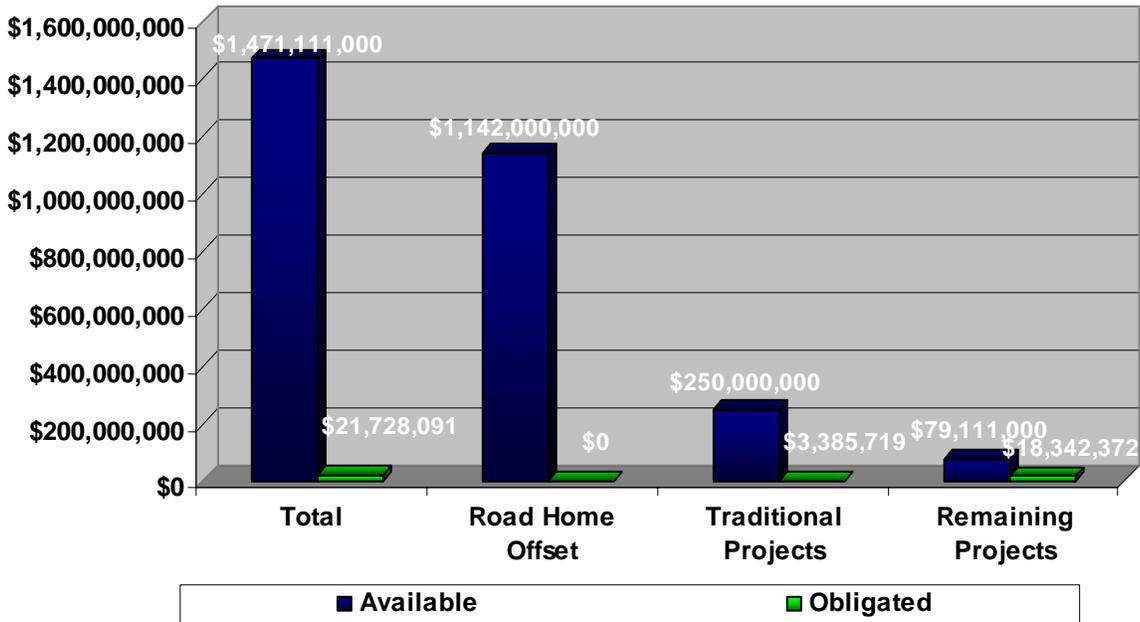

Some of this public assistance funding went into the following Louisiana projects:

- **Criminal Justice/Public Safety** - \$165.2 million will be used to rebuild the state's criminal justice system, including facilities owned and emergency work performed by the sheriff, police and fire departments.
- **Education** - \$1.26 billion will help restore K-12 and higher education schools throughout the state, thus providing repaired or replaced facilities for thousands of students to return to.
- **Health Care and Research** – Temporary and permanent hospitals are just some of the buildings funded with the \$441.2 million obligated toward health care and research.
