

## COASTAL BARRIER RESOURCES SYSTEM

---

The Coastal Barrier Resources Act (Pub. L. 97-348) and the Coastal Barrier Improvement Act of 1990 (Pub. L. 101-591) are federal laws that were enacted on October 18, 1982, and November 16, 1990, respectively. The legislation was implemented as part of a Department of the Interior (DOI) initiative to minimize loss of human life by discouraging development in high-risk areas, reduce wasteful expenditures of federal resources, and preserve the ecological integrity of areas Congress designates as a Coastal Barrier Resources System (CBRS) and Otherwise Protected Areas (OPAs). The laws provide this protection by prohibiting all federal expenditures or financial assistance, including flood insurance, for residential or commercial development in areas so identified.

The 1990 Act amends the 1982 Act by adding and deleting CBRS areas and by adding OPAs. As a result, revisions are made to the Flood Insurance Rate Maps (FIRMs) for the affected communities. Both of the laws provided 1-year grace periods for the NFIP to comply with the statutory requirements; October 1, 1983, for the 1982 Act and November 16, 1991, for the 1990 Act. The 1-year grace period for the 1990 Act applies only to the OPAs. New CBRS areas established by the 1990 Act have no grace period.

To determine if a building is eligible for flood insurance coverage, the producer should consult the list of communities where coastal barriers and/or OPAs have been identified. The list is included in this section. The community's map should **always** be reviewed to determine if the property to be insured is located in a designated CBRS area or an OPA.

A listing of map panels that have CBRS areas is available on the FEMA website ([www.fema.gov/nfip/cobra.shtml](http://www.fema.gov/nfip/cobra.shtml)). The website page is for information and notification purposes only. The website does not determine flood insurance eligibility or status in relation to a CBRS or an OPA; it merely indicates whether a particular Flood Insurance Rate Map (FIRM) panel contains a portion of the CBRS or an OPA. Further study of the FIRM and property location and/or the building's date of construction in relation to the CBRS designation date is necessary to determine whether a specific property is eligible for flood insurance.

Buildings may be eligible for flood insurance even if they are located within such areas. Eligibility

depends upon which Act identified that community as having such areas.

Eligibility under the 1982 Act for a building in a CBRS area requires that:

- A legally valid building permit for the construction of the building was issued prior to October 1, 1983; and
- The building was built (walled and roofed) prior to October 1, 1983; and
- The building was not substantially improved or substantially damaged on or after October 1, 1983.

Eligibility under the 1990 Act for a building in a CBRS area or OPA requires that:

- For CBRS areas:
  - A legally valid building permit for the construction of the building was issued prior to November 16, 1990; and
  - The actual start of construction of the building was prior to November 16, 1990; and
  - The building was not substantially improved or substantially damaged on or after November 16, 1990.
- For OPAs:
  - A legally valid building permit for the construction of the building was issued prior to November 16, 1991; and
  - A building in an OPA was built (walled and roofed) no later than November 16, 1991; and
  - The building was not substantially improved or substantially damaged after November 16, 1991.

OR
  - The building is used in a manner consistent with the purpose for which the area is protected, regardless of the date of construction.

Eligibility under other CBRS amendments is based on the preceding rules applied to the date the insurance prohibition became effective.

When an application for flood insurance is submitted for buildings located in CBRS and/or OPA communities, the following types of documentation must be submitted as evidence of eligibility by the producer writing through the NFIP Direct:

- For buildings built on or after the date the insurance prohibition became effective, a legible copy of the current map panel indicating that the building is not in a CBRS area or OPA.
- For buildings in CBRS areas and OPAs
  - A legally valid building permit, or if the building permit was lost or destroyed, a written statement to this effect signed by the community official responsible for the building permits will be accepted in lieu of the building permit; and
  - A statement by a responsible community official that:
    1. The walls and roof of the building were in place (1982 Act) or the start of construction took place (1990 Act), before the date the insurance prohibition became effective, and
    2. The building was not substantially improved or substantially damaged on or after the date the insurance prohibition became effective.
  - Other forms of acceptable documentation include:
    1. First mortgage financing records
    2. Property tax records
    3. Electrical permit records
    4. On-site septic or sewer system records
    5. State Coastal Zone Management Agency records
    6. State Wetlands Program permit records

- For structures in OPAs only
  - Certification from the governmental body overseeing the area indicating that a building in an OPA is used in a manner consistent with the purpose for which the area is protected may be submitted in lieu of the above documentation.

If a producer writing through the NFIP Direct is uncertain whether a building is located in a CBRS area or an OPA, the following procedure should be used:

- Do not collect the premium.
- Mark the Application "Possible CBRS."
- Attach a legible copy of the map panel showing the community number, map suffix, and FIRM date. Mark the risk's location on the FIRM.
- Attach a copy of a plat survey or tax map.
- Provide a copy of a county or municipal street map that shows the area surrounding the property location and has the risk's location clearly marked. Also provide, if available, an aerial photograph that shows the property in question, a metes and bounds description of the location, and/or the latitude and longitude of the property.
- Provide a statement explaining the mechanism used to identify whether the property is located inside or outside the CBRS/OPA (e.g., contacted community's Tax Office).
- Mail all documentation listed above and a readable photocopy of the Application to the NFIP Servicing Agent, P.O. Box 29138, Shawnee Mission, KS 66201-9138.

An agent writing through a Write Your Own Company should contact that company for guidance.
