Applicant: Plaquemines Parish School Board

Disaster/Emergency/Program/Project Title: DR1603LA / Hurricane Katrina / Public Assistance Program / EPL 0085 Buras High School

Athletic/Maintenance Bldg

Record of Environmental Consideration

See 44 Code of Federal Regulation Part 10.

Project Name/Number: Buras High School Athletic/Maintenance Bldg / PW 12323

Project Location: 35655 SR-11, Buras, Louisiana, Plaquemines Parish, 77041 (N29.3538, W-89.5260)

<u>Project Description</u>: Project activities include repairing the Athletic/Maintenance Building to its predisaster condition. This includes replacing steel roofing, steel siding, pre-eng steel building access doors, flashings, gutter, insulation, roof vents, hollow metal doors, suspended ceilings, CMU walls, partition walls, gypsum drywalls, window unit air conditioner, heaters, exhaust fans, and water coolers; demolishing the acoustical ceiling suspension system; and repairing the mechanical system and electrical system. Some hazard mitigation will be achieved by compliance with current codes and standards and by good construction practices.

$\underline{\mathbf{D}}$	cumentation Requirements
	No Documentation Required (Review Concluded)
	(Short version) All consultation and agreements implemented to comply with the National Historic Preservation Act, Endangered Species Act, and Executive Orders 11988, 11990 and 12898 are completed and no other laws apply. (Review Concluded)
\boxtimes	(Long version) All applicable laws and executive orders were reviewed. Additional information fo compliance is attached to this REC.
<u>Na</u>	tional Environmental Policy Act (NEPA) Determination
	Statutorily excluded from NEPA review. (Review Concluded) Programmatic Categorical Exclusion - Category (Review Concluded) Categorical Exclusion - Category No Extraordinary Circumstances exist. Are project conditions required? Yes (see section V) No (Review Concluded) Extraordinary Circumstances exist (See Section IV). Extraordinary Circumstances mitigated. (See Section IV comments) Are project conditions required? Yes (see section V) No (Review Concluded) Environmental Assessment Supplemental Environmental Assessment (Reference EA or PEA in comments) Environmental Impact Statement
Com	ments: This project meets the criteria for an Alternative Arrangement (Permanent Schools) type of project. This

project has conditions and requires mitigation under the other Environmental and Historic Preservation (EHP) Laws.

Project is Non-Compliant (See attached documentation justifying selection).

V. Environmental Review Project Conditions

General comments: None

Project Conditions:

1. Applicant is required to coordinate with local floodplain administrator regarding floodplain permit(s) prior to the start of any activities. Applicant is responsible for meeting all requirements of the permit(s). All coordination pertaining to these permit(s), should be documented to the local floodplain administrator and copies provided to LA GOHSEP and FEMA as part of the permanent project files. Per 44 CFR 9.11 (D)(9), the replacement of building contents, materials and equipment should be, where possible, wet or dry-proofed, elevated, or relocated to or above the Advisory Base Flood Elevation (ABFE) per the ABFE maps. Per 44 CFR 9.12, applicant must publish a final public notice 15 days prior to the start of construction activities. Final public notice is to be forwarded to the LA GOHSEP and FEMA for inclusion in the permanent project files.

Monitoring Requirements: None
