**Grant Programs Directorate  
Information Bulletin No. 490a  
August 22, 2023**

**MEMORANDUM FOR:** All State Administrative Agency Heads  
All State Administrative Agency Points of Contact  
All Urban Area Security Initiative Points of Contact  
All State Homeland Security Directors  
All State Emergency Management Agency Directors  
All Eligible Regional Transit Agencies  
All Private Sector Transportation Security Partners  
All Public and Private Sector Port Security Partners  
All Tribal Nation Points of Contact

**FROM:** Pamela S. Williams *P.S. Williams*  
Assistant Administrator  
Grant Programs Directorate

**SUBJECT:** Fiscal Year 2023 Preparedness Grant Programs  
Final Allocation Announcement

The Federal Emergency Management Agency (FEMA), a component of the U.S. Department of Homeland Security (DHS), is announcing the final awards and allocations under the Fiscal Year (FY) 2023 preparedness grant programs. These programs include:

- Homeland Security Grant Program (HSGP)
  - State Homeland Security Program<sup>1</sup>
  - Urban Area Security Initiative<sup>1</sup>
  - Operation Stonegarden
- Tribal Homeland Security Grant Program (THSGP)
- Nonprofit Security Grant Program (NSGP)
- Port Security Grant Program (PSGP)
- Transit Security Grant Program (TSGP)
- Intercity Passenger Rail (IPR) Program – Amtrak<sup>1</sup>

---

<sup>1</sup> Final allocations for these programs were announced on February 27, 2023, as part of the Notices of Funding Opportunity release.

- Intercity Bus Security Grant Program (IBSGP)
- Emergency Management Performance Grant (EMPG) Program<sup>1</sup>

The total amount of funds allocated for the FY 2023 Preparedness Grant Programs announced in this Information Bulletin is \$2,000,100,000<sup>2</sup>. *This Information Bulletin (IB) updates IB #490 published on July 21, 2023, to include updated Tribal Homeland Security Grant Program award information.*

### **FY 2023 Homeland Security Grant Program (HSGP)**

The HSGP includes a suite of risk-based grants to assist state, local, and tribal efforts in obtaining the resources required to support the National Preparedness Goal's associated mission areas and core capabilities to build a culture of preparedness. The grants included under HSGP are:

*State Homeland Security Program (SHSP)*<sup>3</sup>. The FY 2023 SHSP provides \$415 million to support the implementation of state homeland security strategies to address identified planning, organization, equipment, training, and exercise needs to prevent, protect against, prepare for, and respond to acts of terrorism. These funds may also be used to implement initiatives based on capability targets and gaps identified during the Threat and Hazard Identification and Risk Assessment (THIRA) process and assessed in the Stakeholder Preparedness Review (SPR) (See Table 1).

*Urban Area Security Initiative (UASI)*<sup>3</sup>. The FY 2023 UASI Program provides \$615 million to address the unique planning, organization, equipment, training, and exercise needs of high-risk urban areas, and assists them in building an enhanced and sustainable capacity to prevent, protect against, prepare for, and respond to acts of terrorism (See Table 2).

*Operation Stonegarden (OPSG)*<sup>3</sup>. In FY 2023, OPSG provides \$90 million to enhance cooperation and coordination among local, tribal, territorial, state, and federal law enforcement agencies in a joint mission to secure the United States' borders along routes of ingress from international borders, to include travel corridors in states bordering Mexico and Canada, as well as states and territories with international water borders (See Table 3).

### **FY 2023 Tribal Homeland Security Grant Program (THSGP)**

---

<sup>2</sup> The following FY 2023 grant programs are not part of this announcement and will be awarded separately: Assistance to Firefighters Grant (AFG) Program (\$324 million), Staffing for Adequate Fire and Emergency Response (SAFER) Grant Program (\$360 million), Fire Prevention and Safety (FP&S) Grant Program (\$36 million), Regional Catastrophic Preparedness Grant Program (\$12 million), and Presidential Residence Protection Assistance Grant Program (\$3 million).

<sup>3</sup> Per section 2006 of the *Homeland Security Act of 2002* (codified as amended at 6 U.S.C. § 607), DHS/FEMA is required to ensure that at least 25% of grant funding appropriated for grants awarded under HSGP's authorizing statute are used for law enforcement terrorism prevention activities (LETPA). By policy, DHS/FEMA increased that requirement to 35% for FY 2023. DHS/FEMA meets this requirement, in part, by requiring all SHSP and UASI recipients to ensure that at least 35% of the combined HSGP funds allocated under SHSP and UASI are dedicated towards LETPAs, as defined in 6 U.S.C. § 607. The LETPA allocation can be from SHSP, UASI, or both. Since the majority of OPSG funds are already used for LETPAs, this is not an additional requirement for OPSG

The FY 2023 THSGP provides \$15 million directly to eligible tribes via a competitive process to help strengthen the nation against risks associated with potential terrorist attacks by helping eligible tribes in obtaining the resources required to support the National Preparedness Goal's mission areas and core capabilities as they apply to tribal lands (See Table 4).

### **FY 2023 Nonprofit Security Grant Program (NSGP)**

The FY 2023 NSGP provides \$305 million in funding support for facility hardening and other physical security enhancements and activities to nonprofit organizations that are at a high risk of a terrorist attack. Of this amount, \$152.5 million is available to nonprofit organizations located within one of the FY 2023 UASI-designated high-risk urban areas (NSGP-Urban Area or NSGP-UA). of the additional \$152.5 million is appropriated for nonprofit organizations located outside of the FY 2023 UASI-designated urban areas (NSGP-State or NSGP-S). The intent of the FY 2023 NSGP is to award grant funding to assist nonprofit organizations in obtaining the resources required to support and integrate the preparedness activities of nonprofit organizations that are at high risk of a terrorist attack with broader state and local preparedness efforts. NSGP is also designed to promote coordination and collaboration in emergency preparedness activities among public and private community representatives, as well as state and local government agencies (See Tables 5 and 6).

### **FY 2023 Port Security Grant Program (PSGP)**

The FY 2023 PSGP provides \$100 million for transportation infrastructure security activities to implement Area Maritime Transportation Security Plans and facility security plans among port authorities, facility operators, and state and local government agencies required to provide port security services. The intent of the FY 2023 PSGP is to competitively award grant funding to assist ports in obtaining the resources required to support the development and sustainment of core capabilities identified in the National Preparedness Goal of a secure and resilient nation (See Table 7).

### **FY 2023 Transit Security Grant Program (TSGP)**

The FY 2023 TSGP provides \$93 million to the nation's public transportation agencies serving historically eligible UASI-designated high-risk urban areas for enhancement of security measures at critical transit infrastructure including bus, ferry, and rail systems. The intent of the FY 2023 TSGP is to competitively award grant funding to assist public transportation agencies in obtaining the resources required to support the development and sustainment of core capabilities identified in the National Preparedness Goal of a secure and resilient nation (See Table 8).

### **FY 2023 Intercity Passenger Rail (IPR) Program - Amtrak**

The FY 2023 IPR provides \$10 million to Amtrak to develop security enhancements for eligible intercity passenger rail operations. The intent of the FY 2023 IPR is to grant funding to assist the Amtrak rail system in obtaining the resources required to support the National Preparedness Goal's associated mission areas and core capabilities. Amtrak is the only recipient under the IPR Program.

### **FY 2023 Intercity Bus Security Grant Program (IBSGP)**

The FY 2023 IBSGP provides \$2 million to owners and operators of intercity bus systems providing service to, from, or through historically eligible UASI-designated high-risk urban areas to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure. The intent of the FY 2023 IBSGP is to competitively award grant funding to assist these owners and operators in developing the capabilities necessary to support the National Preparedness Goal of a secure and resilient nation (See Table 9).

### **FY 2023 Emergency Management Performance Grant (EMPG) Program**

The FY 2023 EMPG provides \$355.1 million to state, local, tribal, and territorial governments to prepare for all hazards. The intent of the FY 2023 EMPG grant funding is to award grant funding to assist emergency management agencies to implement the National Preparedness System and to support the National Preparedness Goal of a secure and resilient nation (See Table 10).

Pursuant to Article X of the Federal Programs and Services Agreement of the *Compact of Free Association Amendments Act of 2003*, Pub. L. No. 108-188, a set amount of funds (\$100,000 total) are also available from the Disaster Relief Fund for the Federated States of Micronesia and for the Republic of the Marshall Islands (See Table 11).

**FY 2023 State Homeland Security Program (SHSP) Allocations
