Hiring locally helps build FEMA's disaster recovery workforce. Many career FEMA employees began as local hires.

All applicants must be U.S. citizens, 18 years of age or older, and possess a high school diploma or General Equivalency Diploma. Individuals will be required to pass a background investigation that includes fingerprinting and a credit check. Employees are also required to participate in direct deposit or electronic funds transfer for salary payment. If you are found qualified, you may be called for an interview.
