Survivors do not have to visit a DRC to register with FEMA. You can call 800-621-FEMA (3362). The toll-free telephone line operates seven days a week. If you use a relay service, such as video relay service (VRS), captioned telephone service or others, give FEMA your number for that service. You can also register online at DisasterAssistance.gov or through the [FEMA App](#) on your phone.

The deadline to apply for FEMA disaster assistance is Feb. 7, 2025.

PLEASE NOTE: If you are a Mercer County resident who applied previously in Virginia for damage from Hurricane Helene, please contact FEMA at 800-621-3362 or online at disasterassistance.gov to discuss your application. Please use the FEMA registration number you were assigned when you applied.
