

Photos of Whole-of-America COVID-19 Response Volume 23

Release Date: avril 21, 2020

WASHINGTON — The whole-of-America response to fighting the COVID-19 pandemic continued today, as supplies from a Project Airbridge flight which arrived in Los Angeles were dispersed to hot spots around the nation and National Guardsmen in Guam and Illinois provided their carpentry and medical expertise.

FEMA continues to expedite movement of commercially pre-sourced and commercially procured critical supplies from the global market to medical distributors in various locations across the U.S. through Project Airbridge.

As of April 20, Project Airbridge has completed 68 flights with an additional 46 scheduled for a total of approximately 114 flights.

Through Project Airbridge, the following supplies have been delivered from overseas manufacturers to the U.S. and into private sector supply chains from March 29 to April 19:

- More than 760,000 N-95 masks.
- More than 600 million gloves.
- More than 52 million surgical masks.
- More than 7.1 million surgical gowns.
- Nearly 2.1 million thermometers.
- More than 562,000 face shields.

To date, FEMA has obligated \$5.7 billion in support of COVID-19 efforts. In the last 24 hours that amount includes:

- \$34 million for Colorado.
- \$2.3 million for New Jersey.
- \$1.3 million for Pennsylvania.
