

FEMA Announces Lost Wages Grant for Maine

Release Date: Août 25, 2020

WASHINGTON -- FEMA Administrator Pete Gaynor approved Maine for a FEMA grant under the Lost Wages Assistance program. FEMA's grant funding will allow Maine to provide \$300 per week -- on top of their regular unemployment benefit -- to those unemployed due to COVID-19. FEMA will work with Maine Gov. Janet Mills to implement a system to make this funding available to Maine residents.

On Aug. 8, President Trump made available up to \$44 billion from FEMA's Disaster Relief Fund to provide financial assistance to Americans who have lost wages due to the COVID-19 pandemic. Today, the state of Maine agreed to administer a lost wages program for its citizens who are unemployed due to COVID-19.

FEMA looks forward to working with the governors of additional states who agree to administer a lost wages program to bring financial relief to unemployed Americans.
