

FEMA News Release: FEMA, VDH partner to allow for ages 12-15 to be vaccinated, additional clinics operational

Release Date: Mai 13, 2021

Norfolk, Virginia — FEMA and the Commonwealth of Virginia, through the Virginia Department of Health and Virginia Department of Emergency Management, continue to work together to provide additional access to the COVID-19 vaccines. In alignment with the updated [Emergency Use Authorization](#) for Pfizer-BioNTech COVID-19 Vaccine, FEMA and VDH will start administering the Pfizer vaccine to ages 12+ at the Military Circle Mall Community Vaccination Center as well as at upcoming pop-up clinics throughout Hampton Roads.

All clinics are walk-in and do not require an appointment. Those interested in getting their vaccine must bring a valid ID or any document that provides proof of name. **Individuals who are 12-17 will need to have a parent or guardian with them at the vaccination site to receive the vaccine or a signed permission slip at school events.**
