

Fiscal Year 2022 Port Security Grant Program - FAQs

Release Date: mai 5, 2022

The [fiscal year \(FY\) 2022 Port Security Grant Program \(PSGP\)](#) is one of four grant programs that constitute the Department of Homeland Security (DHS)/Federal Emergency Management Agency's focus on transportation infrastructure security activities. These grant programs are part of a comprehensive set of measures authorized by Congress and implemented by DHS to help strengthen the nation's critical infrastructure against potential terrorist attacks. The PSGP provides funds to state, local, territorial, and private sector partners to support increased port-wide risk management and protect critical surface transportation infrastructure from acts of terrorism.

About the Program

1. What is the purpose of the FY 2022 PSGP?

The fiscal year (FY) 2022 Port Security Grant Program (PSGP) is one of four grant programs that constitute the Department of Homeland Security (DHS)/Federal Emergency Management Agency's focus on transportation infrastructure security activities. These grant programs are part of a comprehensive set of measures authorized by Congress and implemented by DHS to help strengthen the nation's critical infrastructure against potential terrorist attacks. The PSGP provides funds to state, local, territorial, and private sector partners to support increased port-wide risk management and protect critical surface transportation infrastructure from acts of terrorism.

2. What legislation authorized funding for the FY 2022 PSGP?

Section 102 of the *Maritime Transportation Security Act of 2002* (Pub. L. No. 107-295), codified as amended (46 U.S.C. § 70107). PSGP funding was

FEMA

appropriated by Congress in the *Department of Homeland Security Appropriations Act, 2022* (Pub. L. No. 117-103).

3. How much funding is available under the FY 2022 PSGP?
