Release Date: mai 13, 2022

In fiscal year (FY) 2022, the Department of Homeland Security is providing \$93 million to eligible public transit systems to promote sustainable, risk-based efforts to protect critical transportation infrastructure and the traveling public from acts of terrorism.

Overview

The [FY 2022 Transit Security Grant Program \(TSGP\)](#) is one of four grant programs that constitute the DHS/Federal Emergency Management Agency's focus on transportation infrastructure security activities. These grant programs are part of a comprehensive set of measures authorized by Congress and implemented by DHS to help strengthen the nation's critical infrastructure against risks associated with potential terrorist attacks. The TSGP provides funds to public transit agencies to protect critical surface transportation infrastructure and the traveling public from acts of terrorism.

Funding

In FY 2022, the total amount of funds available under this grant program is \$93 million for eligible public transit agencies. TSGP is authorized by Section 1406 of the *Implementing Recommendations of the 9/11 Commission Act of 2007* (Pub. L. No. 110-53), codified at 6 U.S.C. § 1135, and the *Department of Homeland Security Appropriations Act, 2022* (Pub. L. No. 117-103). FY 2022 TSGP funds will be awarded to support the creation of sustainable, risk-based efforts to protect critical surface transportation infrastructure and the traveling public from acts of terrorism, major disasters, and other emergencies. Eligible activities are outlined in the FY 2022 TSGP funding notice and Preparedness Grants Manual.

Eligibility

Eligible transit agencies are determined based on daily unlinked passenger trips (ridership) and transit systems that serve historically eligible Urban Area Security Initiative (UASI)-designated urban areas. Certain ferry systems are eligible to participate in the FY 2022 TSGP. Ferry systems that elect to participate under the FY 2022 TSGP are not considered for funding under the FY 2022 Port Security Grant Program (PSGP). Likewise, any ferry system that elects to participate in the FY 2022 PSGP is not considered for funding under the FY 2022 TSGP. A complete list of eligible transit agencies is located in the FY 2022 TSGP Notice of Funding Opportunity.
