The line is open every day from 7 a.m. to 11 p.m. ET. Help is available in most languages. If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service. Survivors who sustained damage from Hurricane Nicole should contact their insurance company, take pictures of the damage, begin clean up, and save receipts. Visit floridadisaster.org/info/nicole/ for updated response and recovery information.
