

President Authorizes Help for Additional Counties in California

Release Date: Janvier 11, 2023

SACRAMENTO, Calif. – The White House announced an Amendment to the Emergency Declaration today authorizing FEMA to extend Direct Federal Assistance to 14 additional counties in California.

This provides help with emergency protective measures, authorized under Title V of the Stafford Act, to save lives and to protect property and public health and safety, or to lessen or avert the threat of a catastrophe as the state and tribal nations endure waves of bad weather.

The amendment now makes federal help available for Colusa, Glenn, Humboldt, Marin, Orange, San Diego, San Joaquin, San Luis Obispo, Santa Barbara, Solano, Sutter, Tehama, Yolo, and Yuba counties.

This amendment was a result of ongoing damage assessments conducted at the request of the state, which continue in most of the state's counties, with results provided to the governor.

Colusa, Glenn, Humboldt, Marin, Orange, San Diego, San Joaquin, San Luis Obispo, Santa Barbara, Solano, Sutter, Tehama, Yolo, and Yuba join El Dorado, Los Angeles, Mariposa, Mendocino, Merced, Monterey, Napa, Placer, Riverside, Sacramento, San Bernardino, San Mateo, Santa Clara, Santa Cruz, Sonoma, Stanislaus, and Ventura as counties receiving Emergency Declaration support as winter storms continue to impact California.

The Emergency Declaration authorizes FEMA to identify and task federal agencies to mobilize federal equipment, supplies and resources requested by the state to perform emergency protective measures in identified counties.
