

Deadline to Apply for FEMA Assistance Extended to October 12

Release Date: September 1, 2023

Vermont residents affected by July's severe storms, flooding, mudslides and landslides now have until **Oct. 12, 2023** to apply for FEMA assistance.

This does not mean you should delay applying – the sooner you apply, the sooner FEMA can process your claim.

If you had storm-caused expenses and live or own a business in Caledonia, Chittenden, Lamoille, Orange, Orleans, Rutland, Washington, Windham or Windsor County, FEMA assistance can provide grants and U.S. Small Business Administration (SBA) loans for temporary housing, home repairs and other disaster-related needs.

To apply, visit DisasterAssistance.gov, download the [FEMA App](#) or call the FEMA Helpline at **800-621-3362**. If you use a relay service such as video relay service (VRS), captioned telephone service or others, give FEMA your number for that service when you apply.

To apply in person, visit a Disaster Recovery Center, where FEMA and SBA specialists can answer questions, help upload documents and refer you to available resources. Centers are open 8 a.m. to 6 p.m. Monday-Saturday (closed Sundays) at the following locations:

- **Washington County**
