

FEMA Specialists Give Rebuilding Tips at Ace Hardware

Release Date: Mai 31, 2019

DES MOINES, Iowa – As lowans rebuild or repair the damage to their homes caused by the storms and flooding that occurred March 12 through May 16, the Federal Emergency Management Agency has teamed up with the Ace Hardware in Davenport to provide free information, tips and literature on making houses and businesses stronger andsafer.

FEMA mitigation specialists will be on hand at an in-store information center to answer questions, and [offer home improvement tips](#)and proven methods to prevent and lessen damage from future disasters. Most of the information is geared for do-it-yourselfers and general contractors.

Mitigation teams also will have free reference booklets in English and Spanish on mold and mildew clean-up as well as protecting your home from future flood damage. More information about strengthening property can be found at www.fema.gov/what-mitigation.

Information available includes building a storm shelter or safe room, creating an emergency supply kit and floodproofing for businesses.

FEMA specialists will be available from 8 a.m. to 6 p.m. Monday through Friday, June 3 – June 7, and from 8 a.m. to 5 p.m. Saturday, June 8 at:

Hayman’s Westside Ace Hardware

1716 W. Fourth St.

Davenport, IA 52802
