

FEMA Public Assistance Now Available to Restore West Virginians' Permanent Infrastructure

Release Date: Mars 20, 2025

CHARLESTON, W.Va. — FEMA Public Assistance is now available to support Greenbrier, Lincoln, Logan, McDowell, Mercer, Mingo, Monroe, Summers, Wayne, and Wyoming counties to help with infrastructure costs from the Feb. 15 – 18, 2025 winter flooding. The Public Assistance Program is FEMA's largest grant program, providing funding to assist states, federally-recognized tribal governments, U.S. territories, local governments, and certain types of private nonprofits. Public Assistance grants help pay for emergency and permanent work that helps communities respond to and recover from disasters.

Public Assistance

The major disaster declaration was amended on March 19, 2025 approving Greenbrier, Lincoln, Logan, McDowell, Mercer, Mingo, Monroe, Summers, Wayne, and Wyoming counties for Public Assistance Categories C-G permanent work for the following:

- Category C: Roads and bridges
- Category D: Water control facilities
- Category E: Public buildings and contents
- Category F: Public utilities
- Category G: Parks, recreational and other facilities

For more information on Public Assistance, see: fema.gov/assistance/public.
