Video Remote Interpreting is available and in-person sign language is available by request. The centers also have accessible parking, ramps and restrooms.

American Sign Language interpreters are available to assist at a DRC. Requests can be made via text message at **(470) 379-5943**. Survivors will need to provide their name, the address of the DRC they will be visiting, the date and time of their visit and the type of sign language they are requesting. All requests for help should be made at least 24 hours in advance of a DRC visit to ensure assistance is available.
