

President Joseph R. Biden, Jr. Approves Emergency Declaration for Louisiana

Release Date: August 27, 2021

WASHINGTON -- FEMA announced that federal emergency aid has been made available to the state of Louisiana to supplement state and local response efforts to the emergency conditions in the areas affected by Hurricane Ida, beginning on Aug. 26 and continuing.

The President's action authorizes FEMA to coordinate all disaster relief efforts which have the purpose of alleviating the hardship and suffering caused by the emergency on the local population, provide appropriate assistance for required emergency measures, authorized under Title V of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, to save lives, protect property, public health and safety and to lessen or avert the threat of a catastrophe.

Specifically, FEMA is authorized to identify, mobilize and provide at its discretion, equipment and resources necessary to alleviate the impacts of the emergency. Emergency protective measures, including direct federal assistance, will be provided at 75% federal funding. This assistance is authorized for all 64 parishes in Louisiana, namely:
