U.S. Small Business Administration (SBA) low-interest disaster loans are available to businesses of all sizes, nonprofits, homeowners and renters. Like FEMA, SBA cannot duplicate benefits for losses covered by insurance.

- For small businesses, those engaged in aquaculture and most nonprofits: Up to \$2 million is available for working capital needs even if there was no property damage, with a \$2 million maximum loan for any combination of property damage and working capital needs.
- For homeowners: Up to \$200,000 is available to repair or replace their primary residence. For homeowners and renters: Up to \$40,000 is available to replace personal property, including vehicles.

Businesses and residents can apply online at [sba.gov/funding-programs/disaster-assistance](https://sba.gov/funding-programs/disaster-assistance). For questions and assistance completing an application, call 800-659-2955 or email [DisasterCustomerAssistance@sba.gov](mailto:DisasterCustomerAssistance@sba.gov).

If you have homeowners or renters insurance, you should file a claim as soon as possible. By law, FEMA cannot duplicate benefits for losses covered by insurance. If your policy does not cover all your damage expenses, you may then be eligible for federal assistance.
