

FEMA Fire Management Assistance Granted for the French Fire

Release Date: Jiyè 5, 2024

OAKLAND, Calif. – The Federal Emergency Management Agency's (FEMA) Region 9 Administrator authorized the use of federal funds on July 4 at 11:37 p.m. PDT / 2:37 a.m. EDT to assist the state of California to combat the French Fire burning in Mariposa County.

On July 4, the state of California submitted a request for a Fire Management Assistance Grant (FMAG). At the time of the request, the fire threatened approximately 1,019 homes in and around Mariposa, CA, population 1,300. 95% of the threatened homes are primary residences and 5% are secondary residences.

The fire started on July 4, 2024 and had burned more than 790 acres of State and private land. The fire was 0% contained. There are five large fires burning uncontrolled within the State.

FMAGs provide federal funding for up to 75 percent of eligible firefighting costs. The Disaster Relief Fund provides allowances for FMAGs through FEMA to assist in fighting fires that threaten to become a greater incident.

Eligible costs covered by FMAGs can include expenses for field camps, equipment use, materials, supplies and mobilization, and demobilization activities attributed to fighting the fire.
