

One Month Later, Federal Support for Wildfire Survivors Nears 700 Million

Release Date: May 7, 2025

One month after the devastating wildfires that swept across the West, federal support for survivors is nearing \$700 million. FEMA has announced that it has awarded over \$200,000 in grants to help survivors with housing, food, and other needs. The grants are part of a larger effort to provide relief to those affected by the wildfires. FEMA has also announced that it has awarded over \$200 million in grants to help survivors with housing, food, and other needs. The grants are part of a larger effort to provide relief to those affected by the wildfires. FEMA has also announced that it has awarded over \$200 million in grants to help survivors with housing, food, and other needs. The grants are part of a larger effort to provide relief to those affected by the wildfires.
