

Photos of Whole-of-America COVID-19 Response Volume 38

Release Date: 5? 12, 2020

WASHINGTON — The whole-of-America response to fighting the COVID-19 pandemic continue, as frontline responders and medical staffs are honored -- from Oregon to New Mexico.

National Guardsmen continued their steady support, with food distribution in North Carolina, while FEMA coordinates more Project Airbridge flights for critical medical supplies distribution.

As of May 12, Project Airbridge has completed 132 flights with more than 30 flights scheduled or in transit. Two flights landed Monday in Chicago, with another flight scheduled for today.

Through Project Airbridge, the following supplies have been delivered from overseas manufacturers to the U.S. and into private sector supply chains from March 29 to May 10:

- More than 1.3 million N-95 masks.
- More than 921 million gloves.
- More than 91 million surgical masks.
- More than 15.9 million surgical gowns.
- More than 2.3 million thermometers.
- More than 1 million face shields.
- More than 392,000 coveralls.
- More than 109,000 stethoscopes.
- More than 370,000 oxygen masks.
- More than 250,000 swabs.
- More than 160,000 cannulas.

More than \$5.7 billion has been obligated to assist with emergency protective measures. In the last 24 hours that amount includes \$1 million to Michigan and \$8.7 million to New Jersey.
