

Don't wait! West Virginia Residents Affected by Late February Flooding Should Apply for Federal Disaster Assistance

Release Date: 6? 11, 2021

CHARLESTON - If you suffered damage or losses from the Feb. 27 – March 4, 2021 flooding, you have less than six weeks left to register with the Federal Emergency Management Agency (FEMA) for federal disaster assistance. The deadline to register is **Monday, July 19, 2021**.

Individual disaster assistance grants for homeowners and renters are available to eligible residents of Cabell, Kanawha, Mingo and Wayne counties.

Here is how to register:

- Call 800-621-FEMA (3362) or TTY 800-462-7585
- Online at [DisasterAssistance.gov](https://www.fema.gov/disaster/4605)
- By downloading the FEMA app

FEMA grants do not have to be repaid. FEMA assistance is nontaxable and will not affect eligibility for Social Security, Medicaid or other federal benefits.

You should register even if you have insurance. FEMA cannot duplicate insurance payments, but if you have losses insurance doesn't cover, you may receive help from FEMA after your insurance claims are settled.

Don't wait until the last minute. Apply by Monday, July 19, 2021.
