FEMA representatives can help with applications for federal assistance and provide information about other disaster recovery resources. FEMA financial assistance may include money for basic home repairs or other uninsured, disaster-related needs, such as childcare, transportation, medical needs, funeral or dental expenses. In addition to FEMA personnel, representatives from the U.S. Small Business Administration will be available to assist survivors.

It is not necessary to go to a center to apply for FEMA assistance. Homeowners and renters in designated counties can go online to DisasterAssistance.gov, call 800-621-3362 7 a.m.–midnight daily or use the [FEMA mobile app](#) to apply. If you use a relay service, such as video relay, captioned telephone or other service, give FEMA your number for that service.
