After You Apply

If you had damage and applied for FEMA assistance, you can expect a call, text or email from FEMA to schedule a **home inspection** to assess disaster damage.

Please note phone calls from FEMA may come from an unfamiliar number.

Inspectors will try to reach you multiple times but eventually will stop calling if you do not respond. You will learn FEMA's decision on what benefits you may receive in a **Determination Letter** sent by email or U.S. Mail.

FEMA may refer you to the **U.S. Small Business Administration** for a SBA low-interest disaster loan to help offset damage and losses caused by the wildfires. Disaster loans are available to renters, homeowners and businesses and are the largest source of federal disaster funding for people impacted by disasters. The deadline to apply with the SBA is also **March 10, 2025**. Do not wait for your FEMA Determination Letter to apply for a SBA loan.

To apply visit sba.gov/disaster; call SBA's Customer Service Center at **800-659-2955** or email DisasterCustomerService@sba.gov for more information or to have a loan application mailed to you.
