CLOSEOUT MODULES FOR FY 2009 AND FY 2010 GRANT PERIODS AVAILABLE NOW

The closeout modules for FY 2009 and 2010 Assistance to Firefighters Grants (AFG) and Fire Prevention and Safety (FPS) programs have been deployed and are now available to grantees to complete and submit their required closeout reports. As a reminder, grantees are provided 90 days from the availability of the closeout

module to complete and submit their closeout reports before they are considered delinquent. Failure to complete and submit the required closeout report within that time period will result in the grantee being considered delinquent and may result in either the denial or "freezing" of a payment or amendment request, and may prevent future awards until such time as they have been completed.

The FY 2011 AFG and FPS closeout module is currently not available, but are expected to be available in the spring of 2014.

If you require assistance with your closeout, please do not hesitate to contact the AFG Help Desk at: 1-866-274-0960 or via email at firegrants@dhs.gov.
