

Free Disaster Financial Recovery Webinars

Natural disasters wreak havoc on families in more ways than one. It takes time for survivors to recover emotionally and financially. This [webinar series](#) will help professionals assist individuals and families with disaster financial recovery including:

- Becoming familiar with the “Recovery After Disaster: The Family Financial Toolkit”;
- Identifying key strategies and resources to help with financial recovery;
- Determining family financial picture; and
- Guiding families as they make financial decision.

The hour-long webinars are held once a month November 26 – March 18 at 2pm CDT.
