Start planning your FY 2013 AFG Grant application now! We recommend that you start your application today by reviewing the Application Assistance Tools located on the AFG website. These tools were produced specifically to help potential applicants begin to plan their 2013 applications ahead of the application period. The tools can be viewed on the AFG website or downloaded to your computer.

SAM.GOV REGISTRATION REQUIRED TO SUBMIT YOUR FY 2013 AFG APPLICATION

Starting with the upcoming FY2013 AFG application period, a valid registration in the System for Award Management (SAM), formerly the Central Contractor Registry, or CCR, will be required in order to submit an AFG application. Federal law now requires that applicants to Federal grant programs have a valid registration within SAM.gov at the time of registration. Applicants will be asked to affirm that they have a current registration prior to submitting their application.

As part of the SAM.gov registration process, every eligible grantee must have their SAM.gov account validated through the Internal Revenue Service (IRS) and have their CAGE (Commercial and Government Entity) code validated in order to be eligible for award. These validations are conducted as part of the registration process after the organization has submitted their SAM.gov registration. A valid SAM.gov registration is now also required for any payment or amendment request to an existing, open award. A valid SAM.gov registration is now also required for any payment or amendment request to an existing, open award. If your department has not yet registered within SAM.gov, you are encouraged to do. SAM.gov is administered through the [U.S. General Services Administration \(GSA\)](http://U.S. General Services Administration (GSA)). Technical assistance may be obtained through the Federal Service Desk at 866-606-8220. **Please be advised that during peak activity periods, it may take more than 2 weeks to complete the**

registration process.

FY 2013 ASSISTANCE TO FIREFIGHTERS GRANT WORKSHOPS SCHEDULE

FEMA is providing ongoing technical assistance to help organizations prepare for the upcoming FY 2013 application period schedule to run later this fall. Workshops are designed to provide valuable information and insights to potential applicants understand the FY 2013 Assistance to Firefighters Grant (AFG) Program, and its funding priorities.

Workshops will be delivered by two methods:

- Live Presentations
- Conference Call with Webinar

View Schedule by FEMA Region

The schedule is dynamic and workshops will be added, repeated and varied in day and time to allow for the widest possible participation and anticipated demand. The online schedule is updated frequently, so check back often, or contact your local FEMA Regional Fire Program Specialists for the current schedule in your area.
