

## **Citizen Corps Partner Programs Unite!**

The Program Offices of the National Citizen Corps Partner Programs are pleased to announce a can't-miss event! On August 28 from 3:00 - 4:00 p.m. (EDT), for the first time ever, we will be hosting a [joint webinar](#). In addition to updates on all six programs, we will also be discussing ongoing collaboration and communications efforts, as well as online resources for local programs, chapters, and organizations, and promising practices. We will also be taking questions following the webinar. We hope that this presentation will mark the beginning of a renewed commitment to working together with one another's programs, and that you will be able to join us next Thursday!
