

About FEMA NCP

NCP's vision is to be the Nation's center of excellence for government continuity planning, guidance, and operations. Our mission is to serve the public by protecting our Nation's constitutional form of government. To accomplish this, the COOP Division provides guidance, technical assistance, planning, training and workshop support to other DHS and FEMA Components, Federal departments and agencies, States, territories, Tribes, and local government jurisdictions.

FEMA

The Continuity Webinar Series

The National Continuity Programs (NCP) Monthly Continuity Webinar Series provides a forum for sharing continuity-related information with a wide and diverse audience. The goal of the webinars is to assist individuals and organizations at all levels of government as well as the private sector, to develop or enhance their continuity plans and programs.

Webinar Topics

Continuity topics are selected based on a variety of factors to include current events and changing policies, suggestions and requests, and lessons learned and applied. Recent topics of the continuity webinar series have included :

- Planning Templates for Enhancing Your Continuity Program
- The Nation's Continuity Readiness Since 9/11
- Continuity and Emergency Planning in our Nation's School System
- Continuity in the Mass Transit Industry
- Gaining Leadership-Buy-In at the Executive Level
- Integrated Public Alert Warning System: Wireless Alerts
- Washington Gas: A Case Study in Continuity

Future Webinars

Future webinars will address a variety of high-interest continuity topics related to developing effective continuity plans and programs, applying lessons learned and best practices, adapting to the changing threat environment, planning for continuity across the government and in the private sector, and accessing on-line continuity resources, tools, and training.

Seeking Topics and Speakers

NCP's goal is to make the Webinar Series relevant and useful to ensure continuity readiness across the nation. If you have suggestions for future webinar topics or are interested in being a presenter, submit your information or comments via e-mail at:
