

## **Webinar: CERT Competitive Events**

The CERT National Program Office is pleased to announce a can't-miss event! On Wednesday, October 22, 2014 from 3:00 - 4:00 p.m. (EDT) we will be hosting the first of six annual CERT webinars, each of which will focus on a different topic. Last month, [one of our stories in the National CERT E-Brief](#) profiled three programs that have planned and organized competitive events (often referred to as CERT Rodeos/Games/Olympics) for their CERT volunteers. As a follow-up to that story, this month our webinar will feature the organizers of the Northern Nevada Regional CERT Rodeo, the Mississippi CERT Olympics, and the Kansas City CERT Rodeo. Presenters will share their experiences and insights from developing and hosting competitive events. Speakers will discuss how they planned and organized their events, lessons learned, and how their events benefitted their programs and communities. The webinar will last one hour, with the final 15 minutes reserved for a Q&A session.

We hope that you will be able to join us on October 22 to learn how you can organize your own competitive event for your CERT program!
