What Do You Think?

- **What are the learning objectives for this unit?**
 1. To define terrorism
 2. To identify potential targets within the community
 3. To identify CERT operating procedures for a terrorist incident
 4. To describe the actions to take following a suspected terrorist incident

PM 13-1

Key Topics

- Give brief overview of unit
- Emphasize personal safety
 - As with HAZMAT, this is a **STOP** sign
- Keep the discussion simple
- Convey message that it really doesn't matter what causes a disaster; responses to different disasters will be similar

PM 13-1

Hands-on Activities

- Applying CERT Principles to a Suspected Terrorist Incident

PM 13-2

Tips for Teaching Unit

- Keep discussion simple
 - Avoid highly technical descriptions
- If your community has low risk for terrorism incidents:
 - Point out that information on terrorism is important for anyone who travels

PM 13-2

More Tips

- For “what if” questions about scenarios that are extremely improbable:
 - Identify improbabilities
 - Answer any aspect of question that might be realistic

PM 13-2

Connection to Course

- Like a hazmat incident, a terrorist incident or the warning signs of an attack are a “stop sign” for CERTs
