FEMA P-1024, *Performance of Buildings and Nonstructural Components in the 2014 South Napa Earthquake and FEMA South Napa Recovery Advisories*

TRAINING DESCRIPTION

The purpose of this training is to provide an overview of FEMA P-1024, *Performance of Buildings and Nonstructural Components in the 2014 South Napa Earthquake*, and two FEMA South Napa Earthquake Recovery Advisories, FEMA P-1024/RA1 and FEMA P-1024/RA2. The FEMA P-1024 report assesses and documents the performance of a population of buildings impacted by the South Napa earthquake and develops a series of recommendations to further improve mitigation. FEMA P-1024/RA1, South Napa Earthquake Recovery Advisory: Repair of Earthquake-Damaged Masonry Fireplace Chimneys, recommends best practices for the reconstruction of earthquake-damaged masonry chimneys in one- and two-family dwellings to minimize risk of damage in future earthquakes. FEMA P-1024/RA2, South Napa Earthquake Recovery Advisory: Earthquake Strengthening of Cripple Walls in Wood-Frame Dwellings, addresses the earthquake strengthening of cripple walls and foundation anchorage in one- and two-family dwellings, supported by elevated concrete foundation systems and cripple walls not taller than approximately seven feet.

TARGET AUDIENCE

This training has been designed for engineers, architects, building officials, and others who are interested in the performance of buildings in the South Napa earthquake, the repair of earthquake-damaged masonry chimneys, and the earthquake strengthening of cripple walls.

This training is supported by National Earthquake Hazards Reduction Program (NEHRP) National Earthquake Technical Assistance Program (NETAP). For more information visit:

GENERAL INFORMATION

Time: x:xx am – x:xx pm
Date: Month, Day, Year
Location: Facility Name, Room #, Street Address, City, State, Zip
Instructor: First Name, Last Name, Title, Organization
Materials: FEMA P-1024, *Performance of Buildings and Nonstructural Components in the 2014 South Napa Earthquake* (hard copy), which includes:
FEMA P-1024/RA1, *South Napa Earthquake Recovery Advisory: Repair of Earthquake Damaged Masonry Fireplace Chimneys*; and
FEMA P-1024/RA2, *South Napa Earthquake Recovery Advisory: Earthquake Strengthening of Cripple Walls in Wood-Frame Dwellings*

REGISTRATION

To register for these trainings, please provide your name, organization, address, phone number, and e-mail address to xxxxx@xxxx.com. For questions or additional information, please contact xxx-xxx-xxxx.
