

Effective February 29th, 2016, the login screen for the E-Grants system will be updated. While the primary purpose of the update is for Federal users, the new login screen will look different for all users. However, applicants and grant recipients will continue to log in using your user name and password to gain access to the E-Grants system. A screen shot of this update is included for your convenience.

Please contact the AFG Program Help Desk with questions or comments by calling: 1-866-274-0960 or email at firegrants@dhs.gov.

Please note, this deployment may prevent access to the system for a brief period on Saturday, February 27, 2016. We expect the disruption to be minimal.
