

# Join FEMA to Help Disaster Survivors

**“As a Reservist, I help restore normalcy and sanity to people whose lives have been unimaginably altered.”**

FEMA is hiring Disaster Reservists — a paid workforce employed on a temporary on-call basis to help citizens, first responders, and communities impacted by disasters.

As a Reservist, you will:

- ✓ Help survivors understand and apply for disaster assistance through FEMA and other partners.
- ✓ Provide customer service and step-by-step guidance to survivors.
- ✓ Be ready to be sent anywhere in the United States to quickly meet the need of survivors. FEMA pays all travel expenses.
