

# CONDOMINIUMS

---

## **Important Notice to Agents/Producers:**

Boards of directors of condominium associations typically are responsible under their by-laws for maintaining all forms of property insurance necessary to protect the common property of the association against all hazards to which that property is exposed for the insurable value/replacement cost of those common elements. This responsibility would typically include providing adequate flood insurance protection for all common property located in Special Flood Hazard Areas (SFHAs). Such by-law requirements could make the individual members of the boards of directors of such associations personally liable for insurance errors or omissions, including those relating to flood insurance.

## **I. METHODS OF INSURING CONDOMINIUMS**

There are 4 methods of insuring condominiums under the National Flood Insurance Program (NFIP). Each method has its own eligibility requirements for condominium type. Only residential buildings having a condominium form of ownership are eligible for the Residential Condominium Building Association Policy (RCBAP).

### **A. Residential Condominium: Association Coverage on Building and Contents**

A condominium association is the corporate entity responsible for the management and operation of a condominium. Membership is made up of the condominium unit owners. A condominium association may purchase insurance coverage on a residential building and its contents under the RCBAP. The RCBAP covers only a residential condominium building in a Regular Program community. If the named insured is listed as other than a condominium association, the agent/producer must provide legal documentation to confirm that the insured is a condominium association. (See the Eligibility Requirements subsection in this section.)

### **B. Residential Condominium: Unit Owner's Coverage on Building and Contents**

A residential condominium unit in a high-rise or low-rise building, including a townhouse or rowhouse, is considered to be a single-family residence. An individual dwelling unit in a condominium building may be insured in any 1 of the following 4 ways:

1. An individual unit and its contents may be separately insured under the Dwelling Form, in the name of the unit owner, at the limits of insurance for a single-family dwelling.
2. An individual unit may be separately insured under the Dwelling Form, if purchased by the association in the name of the unit owner and the association as their interests may appear, up to the limits of insurance for a single-family dwelling.

3. An individual unit owned by the association may be separately insured under the Dwelling Form, if purchased by the condominium association. The single-family limits of insurance apply.
4. An individual non-residential unit owner may not purchase building coverage. However, contents-only coverage can be purchased either under the General Property Form or the Dwelling Form, depending on the type of contents.

A policy on a condominium unit will be issued naming the unit owner and the association, as their interests may appear. Coverage under a unit owner's policy applies first to the individually owned building elements and improvements to the unit and then to the damage of the building's common elements that are the unit owner's responsibility.

In the event of a loss, the claim payment to an individual unit owner may not exceed the maximum allowable in the Program.

### **C. Non-Residential Condominium: Building and Contents**

Non-residential condominium buildings and their commonly owned contents may be insured in the name of the association under the General Property Form. The "non-residential" limits apply.

### **D. Non-Residential Condominium: Unit Owner's Coverage (Contents)**

The owner of a non-residential or residential condominium unit within a non-residential condominium building may purchase only contents coverage for that unit. Building coverage may not be purchased in the name of the unit owner.

In the event of a loss, up to 10% of the stated amount of contents coverage can be applied to losses to condominium interior walls, floors, and ceilings. The 10% is not an additional amount of insurance.

**TABLE 1. CONDOMINIUM UNDERWRITING GUIDELINES<sup>1</sup>**

1 These are basic guidelines for condominium associations and unit owners. Please refer to appropriate section of this manual for specific details.

2 ICC coverage does not apply to the Emergency Program, individually owned condominium units located within a multi-unit building and insured under the Dwelling Form, contents-only policies, and Group Flood Insurance Policies.

3 Subject to replacement cost provisions in policy.

## TABLE 2A. CONDOMINIUM RATING CHART

### LOW-RISE RESIDENTIAL CONDOMINIUMS

SINGLE-UNIT BUILDING OR TOWNHOUSE/ROWHOUSE TYPE – BUILDING WITH SEPARATE ENTRANCE FOR EACH UNIT

PURCHASER OF POLICY	BUILDING OCCUPANCY <sup>1</sup>	BUILDING INDICATOR <sup>1</sup>	CONTENTS INDICATOR <sup>2</sup>	TYPE OF COVERAGE	RATING CLASSIFICATION	POLICY FORM <sup>3</sup>
UNIT OWNER	Single family	Single unit	Household	RC <sup>4</sup>	Single family	Dwelling
ASSOCIATION (ASSOCIATION-OWNED SINGLE UNIT ONLY)	Single family	Single unit	Household	RC <sup>4</sup>	Single family	Dwelling
ASSOCIATION (ENTIRE BUILDING)	Determined by the number of units, i.e., single family, 2-4 family, other residential	Low-rise	Household	RC	RCBAP Low-rise	RCBAP

### MULTI-UNIT BUILDING

2-4 UNITS PER BUILDING – REGARDLESS OF NUMBER OF FLOORS (NON-TOWNHOUSE)

PURCHASER OF POLICY	BUILDING OCCUPANCY <sup>1</sup>	BUILDING INDICATOR <sup>1</sup>	CONTENTS INDICATOR <sup>2</sup>	TYPE OF COVERAGE	RATING CLASSIFICATION	POLICY FORM <sup>3</sup>
UNIT OWNER	2-4	Single unit	Household	RC <sup>4</sup>	Single family for building; 2-4 family for contents	Dwelling

ASSOCIATION (ENTIRE BUILDING)	Other residential	High-rise	Household	RC	RCBAP High-rise	RCBAP

**NON-RESIDENTIAL CONDOMINIUMS**

<b>PURCHASER OF POLICY</b>	<b>BUILDING OCCUPANCY<sup>2</sup></b>	<b>BUILDING INDICATOR<sup>2</sup></b>	<b>CONTENTS INDICATOR<sup>3</sup></b>	<b>TYPE OF COVERAGE</b>	<b>RATING CLASSIFICATION</b>	<b>POLICY FORM<sup>4</sup></b>
OWNER OF NON-RESIDENTIAL CONTENTS	Non-residential	Single unit (Building coverage not available)	Other than household	ACV	Non-residential	General property
OWNER OF RESIDENTIAL CONTENTS	Single family (In a 2-4 unit building)	Single unit (Building coverage not available)	Household	ACV	Single family	Dwelling
OWNER OF RESIDENTIAL CONTENTS	Other residential (In a 5-or-more-unit building)	Single unit (Building coverage not available)	Household	ACV	Single family	Dwelling
ASSOCIATION	Non-residential	Low-rise or high-rise	Other than household	ACV	Non-residential	General property

- 1 Enclosure/crawlspace, even if it is the lowest floor for rating, cannot be counted as a floor for the purpose of classifying the building as a high-rise.
- 2 When there is a mixture of residential and non-residential usage within a single building, refer to subsection D. Determination of Building Occupancy in the General Rules section of this manual.
- 3 In determining the contents location, refer to the Rating section of this manual.
- 4 RCBAP must be used to insure residential condominium buildings owned by the association that are in a Regular Program community and in which at least 75% of the total floor area within the building is residential. Use the General Property Form if ineligible under RCBAP.
- 5 Replacement Cost if the RC eligibility requirements are met (building only).

## II. RESIDENTIAL CONDOMINIUM BUILDING ASSOCIATION POLICY (RCBAP) FORM

The policy form used for the residential condominium buildings owned by a condominium association is the RCBAP.

## III. ELIGIBILITY REQUIREMENTS

### A. General Building Eligibility

In order for a condominium building to be eligible under the RCBAP form, the building must be owned by a condominium association, which the NFIP defines as the entity made up of the unit owners responsible for the maintenance and operation of:

1. common elements owned in undivided shares by unit owners; *and*
2. other real property in which the unit owners have use rights

where membership in the entity is a required condition of unit ownership.

The RCBAP is required for all buildings owned by a condominium association containing 1 or more residential units and in which at least 75% of the total floor area within the building is residential without regard to the number of units or number of floors. The RCBAP is available for high-rise and low-rise residential condominium buildings, including townhouse/rowhouse and detached single-family condominium buildings in the Regular Program only. (See pages CONDO 3 and 4.)

Residential condominium buildings that are being used as a hotel or motel, or are being rented (either short or long term), must be insured under the RCBAP.

Only buildings having a condominium form of ownership are eligible for the RCBAP. If the named insured is listed as other than a condominium association, the agent/producer must provide legal documentation to confirm that the insured is a condominium association before the RCBAP can be written. This documentation may be a copy of the condominium association by-laws or a statement signed by an officer or representative of the condominium association confirming that the building is in a condominium form of ownership. In the event of a loss, RCBAPs written for buildings found not to be in a condominium form of ownership will be rewritten under the correct policy form for up to the maximum amount of building coverage allowed under the program for the type of building insured, not to exceed the coverage purchased under the RCBAP.

Owner associations such as a homeowners association (HOA), property owners association (POA), or other similar types of ownerships may differ from a condominium association and are therefore ineligible

for the RCBAP, unless the owner association meets the definition of a condominium association as defined in the policy. Cooperative ownership buildings are not eligible. Timeshare buildings in a condominium form of ownership in jurisdictions where title is vested in individual unit owners are eligible provided that all other criteria are met. For additional guidance on cooperative and timeshare buildings, refer to the Other Examples of Eligible Risks subsection in the General Rules section of this manual.

If, during a policy term, the risk fails to meet the eligibility requirements due to a change in the form of ownership, it will be ineligible for coverage under the RCBAP. The policy will be canceled and rewritten using the correct Standard Flood Insurance Policy (SFIP) form. The effective date of cancellation will be the date on which the change in the form of ownership occurred.

If an RCBAP was issued for a risk that was ineligible for the RCBAP, the policy is void and the coverage must be written under the correct form. The provisions of the correct SFIP form apply. The coverage limits must be reformed according to the provisions of the correct SFIP form and cannot exceed the coverage limits originally issued under the incorrect policy. For additional guidance, refer to the Reduction of Coverage Limits or Reformation subsection in the General Rules section of this manual.

The NFIP has grouped condominium buildings into 2 different types, low-rise and high-rise, because of the difference in the exposures to the risk that typically exists. Low-rise buildings generally have a greater percentage of the value of the building at risk than high-rise buildings, thus requiring higher premiums for the first dollars of coverage. The availability of the optional deductibles for the low-rise buildings, however, allows the association to buy back some of the risk, thereby reducing the overall cost of the coverage.

For rating purposes:

- *High-rise buildings* contain 5 or more units and at least 3 floors excluding enclosure, even if it is the lowest floor for rating.
- *Low-rise buildings* have fewer than 5 units regardless of the number of floors, or 5 or more units with fewer than 3 floors, including the basement.
- *Townhouse/rowhouse buildings* are always considered low-rise buildings for rating purposes, no matter how many units or floors they have. A townhouse/rowhouse is a multi-floor unit divided from similar units by solid, vertical, load-bearing walls, having no openings in the walls between units and with no horizontal divisions between any of the units.

See the Definitions section in this manual for complete definitions of high-rise and low-rise buildings.

*Individual unit owners* continue to have an option to purchase an SFIP Dwelling Form.

## **B. Condominium Building in the Course of Construction**

The NFIP rules allow the issuance of an SFIP to cover a building in the course of construction before the building is walled and roofed. These rules provide lenders an option to require flood insurance coverage at the time that the development loan is made to comply with the mandatory purchase requirement outlined in the Flood Disaster Protection Act of 1973, as amended. The policy is issued and rated based on the construction designs and intended use of the building.

In order for a condominium building in the course of construction to be eligible under the RCBAP form, the building must be owned by a condominium association.

As noted in the General Rules section, buildings in the course of construction that have yet to be walled and roofed are eligible for coverage except when construction has been halted for more than 90 days and/or if the lowest floor used for rating purposes is below the Base Flood Elevation (BFE). Materials or supplies intended for use in such construction, alteration, or repair are not insurable unless they are contained within an enclosed building on the premises or adjacent to the premises.

## **IV. COVERAGE**

### **A. Property Covered**

The entire building is covered under 1 policy, including both the common as well as individually owned building elements within the units, improvements within the units, and contents owned in common. Contents owned by individual unit owners should be insured under an individual unit owner's Dwelling Form.

Where there are multiple buildings in a condominium association, a separate policy will be required for each building. Generally, only one building will be insured by an NFIP policy. The Dwelling form does provide 10 percent of the coverage to a detached garage. Otherwise, if there is more than one building, coverage will apply to the single building specifically described in the property location of the Flood Insurance Application and the Declarations.

Multiple policies with building coverage cannot be issued to insure a single building to one insured or to different insureds, even if issued through different NFIP insurers, with one exception. A Dwelling Form policy with building coverage may be issued to a unit owner in a condominium building that is also covered

under the RCBAP. However, no more than \$250,000 may be paid in combined coverage for a single unit under the Dwelling Form policy and the RCBAP. Items of damage paid for under one policy cannot also be claimed under another policy.

### **B. Coverage Limits**

Building coverage purchased under the RCBAP will be on a Replacement Cost basis.

The maximum amount of building coverage that can be purchased on a high-rise or low-rise condominium is the Replacement Cost Value (RCV) of the building or the total number of units in the condominium building times \$250,000, whichever is less.

The maximum allowable contents coverage is the Actual Cash Value (ACV) of the commonly owned contents up to a maximum of \$100,000 per building.

Basic Limit Amount:

1. The building basic limit amount of insurance for a detached building housing a single-family unit owned by the condominium association is \$60,000.
2. For residential townhouse/rowhouse and low-rise condominiums, the building basic limit amount of insurance is \$60,000 multiplied by the number of units in the building.
3. For high-rise condominiums, the building basic amount of insurance is \$175,000.
4. The contents basic limit amount of insurance is \$25,000.
5. For condominium unit owners who have insured their personal property under the Dwelling Form or General Property Form, coverage extends to interior walls, floor, and ceiling (if not covered under the condominium association's insurance) up to 10% of the personal property limit of liability. Use of this coverage is at the option of the insured and reduces the personal property limit of liability.

### **C. Replacement Cost**

The RCBAP's building coverage is on a Replacement Cost valuation basis. RCV means the cost to replace property with the same kind of material and construction without deduction for depreciation. A condominium unit owner's Dwelling Form policy provides Replacement Cost coverage on the building if eligibility requirements are met.

### **D. Coinsurance**

The RCBAP's coinsurance penalty is applied to building coverage only. To the extent that the insured has not purchased insurance in an amount equal to the

lesser of 80% or more of the full replacement cost of the building at the time of loss or the maximum amount of insurance under the NFIP, the insured will not be reimbursed fully for a loss. Building coverage purchased under individual Dwelling Forms cannot be added to RCBAP coverage in order to avoid the coinsurance penalty. The amount of loss in this case will be determined by using the following formula:

$$\frac{\text{Insurance Carried}}{\text{Insurance Required}} \times \text{Amount of Loss} = \text{Limit of Recovery}$$

Where the penalty applies, building loss under the RCBAP will be adjusted based on the Replacement Cost Coverage with a coinsurance penalty. Building loss under the Dwelling Form will be adjusted on an ACV basis if the Replacement Cost provision is not met. The cost of bringing the building into compliance with local codes (law and ordinance) is not included in the calculation of replacement cost.

**E. Assessment Coverage**

The RCBAP Form and General Property Form do not provide assessment coverage.

Assessment coverage is available only under the Dwelling form, but it cannot be used to meet the 80% coinsurance provision of the RCBAP, and does not apply to ICC coverage or to coverage for closed basin lakes.

The RCBAP is primary, and the Dwelling Form is considered excess after the RCBAP limits are exhausted. However, the Dwelling Form will respond to a loss assessment resulting from the coinsurance penalty under the RCBAP even if the RCBAP limits have not been exhausted. The coverage combination cannot exceed the maximum coverage limits available for a single-family dwelling.

In addition, assessment coverage cannot be used to pay a loss assessment resulting from a deductible under the RCBAP.

For more information on this topic, see “E. Loss Assessments” in the General Rules section.

**V. DEDUCTIBLES AND FEES**

As with other SFIP forms, the following fees apply to the RCBAP: the ICC Premium, Reserve Fund Assessment, Probation Surcharge (if applicable), the Homeowner Flood Insurance Affordability Act of 2014 (HFIAA) surcharge, and the Federal Policy Fee. Currently, the Reserve Fund Assessment is 15 percent of the total premium, and the HFIAA surcharge is \$250.

**A. Deductibles**

The NFIP minimum deductibles vary based on the policy rating and the amount of coverage purchased. Deductibles apply separately to building coverage and to contents coverage. For optional deductible amounts and deductible factors, see Table 7 in this section.

**B. Federal Policy Fee**

The Federal Policy Fees for the RCBAP are:

1 unit . . . . .	\$50	per policy
2–4 units . . . . .	\$150	per policy
5–10 units . . . . .	\$400	per policy
11–20 units . . . . .	\$800	per policy
21 or more units . . .	\$2,000	per policy

**VI. PRE-FIRM RATING GUIDANCE**

**A. Pre-FIRM Subsidized Rate Eligibility**

In order for a policy to remain eligible for Pre-FIRM subsidized rates, a renewal payment must be received by the insurer within 30 days of the policy expiration date. For a policy renewing on or after April 1, 2016, if the renewal payment is received more than 30 days but within 90 days from the policy expiration date the coverage will be reinstated with a 30-day waiting period. The policy remains eligible to renew using Pre-FIRM subsidized rates for only the first instance. For any subsequent renewals, if the renewal payment is received more than 30 days after the expiration date, the policy will be ineligible to renew using Pre-FIRM subsidized rates and must be rated using full-risk rates.

Pre-FIRM policies that lapsed and are reinstated by means of a new application and were eligible for Pre-FIRM subsidized rates will not be eligible for this subsidy under the following conditions:

- The insured reinstates coverage on a building that was previously covered by a Standard Flood Insurance Policy (SFIP) that expired or was canceled;
- One or more of the named insureds on the new policy was either a named insured on the expired or canceled policy or had an ownership interest in the building at the time the policy expired or was canceled;
- The renewal payment is received more than 90 days following the expiration date. The agent/producer must submit a new application with the full annual premium. The standard 30-day waiting period will apply and the policy will not be eligible for Pre-FIRM subsidized rates; *and*
- The policy expiration or cancellation was for a reason other than that:

- the insured was no longer legally required to obtain and maintain flood insurance; or
- the insured property was in a community that was suspended from the NFIP and the policy was reinstated within 180 days of reinstatement of the community as a participant in the NFIP.

Refer to the guidance in Table 2B to determine whether Pre-FIRM Subsidized Rates can be used.

### B. Pre-FIRM Rate Table Hierarchy

If the property is eligible for Pre-FIRM subsidized rates, refer to the guidance below and Table 2C to determine which Pre-FIRM subsidized rate table to use.

- **Table 4B – Pre-FIRM SRL:** Use for all Low-Rise Condominium Pre-FIRM SRL properties.
- **Table 3B or 4C – Pre-FIRM Substantially Improved Buildings:** Use for Pre-FIRM High-Rise or Low-Rise buildings that are substantially improved on or after April 1, 2015.

Full-risk rates should always be used for Pre-FIRM buildings with elevation information when the full-risk rate is lower than the appropriate Pre-FIRM subsidized rates. Pre-FIRM subsidized rates should be utilized for Pre-FIRM buildings when more favorable than a full-risk

rate or when insufficient information is submitted to determine a full-risk rate.

### VII. TENTATIVE RATES AND SCHEDULED BUILDINGS

Tentative Rates may be applied to rate the RCBAP. The Scheduled Building Policy is not available for the RCBAP. For additional guidance on tentative rates, refer to the General Rules section of this manual.

### VIII. COMMISSIONS (DIRECT BUSINESS ONLY)

The commission, 15%, will be reduced to 5% on only that portion of the premium that exceeds the figure resulting from multiplying the total number of units times \$2,000.

### IX. CANCELLATION OR ENDORSEMENT OF UNIT OWNERS' DWELLING POLICIES

Unit owners' policies written under the Dwelling Form may be canceled mid-term for the reasons mentioned in the Cancellation/Nullification section of this manual. To cancel building coverage while retaining contents coverage on a unit owner's policy, submit a general change request. In the event of a cancellation:

**TABLE 2B. PRE-FIRM SUBSIDIZED RATES INELIGIBILITY DETERMINATION** <sup>1,2</sup>

WAS THERE A PRIOR NFIP POLICY FOR THIS PROPERTY IN APPLICANT'S NAME?	WAS THE PRIOR NFIP POLICY REQUIRED BY A LENDER?	DID THE PRIOR NFIP POLICY LAPSE WHILE REQUIRED BY A LENDER?	WAS THE LAPSE THE RESULT OF A COMMUNITY SUSPENSION?	WAS THE COMMUNITY REINSTATED WITHIN THE LAST 180 DAYS?	ELIGIBLE FOR PRE-FIRM SUBSIDIZED RATES
YES	YES	YES	YES	NO	<b>NO</b>
YES	YES	YES	NO	YES	<b>NO</b>
YES	YES	YES	NO	NO	<b>NO</b>

1 Use this table for all applications for Pre-FIRM buildings.

2 Also use this table for policy reinstatements by means of renewal, where coverage has lapsed more than 30 days after the prior policy expiration or cancellation date, and where the named insured has not maintained continuous coverage on the property from April 1, 2016 to the prior policy expiration or cancellation date.

**TABLE 2C. CONDOMINIUM PRE-FIRM RATE TABLE HIERARCHY**

PRE-FIRM	PRE-FIRM SRL	PRE-FIRM SUBSTANTIALLY IMPROVED	HIGH-RISE TABLE FOR RATING	LOW-RISE TABLE FOR RATING
YES	YES	NO	<b>N/A</b>	<b>4B</b>
YES	NO	YES	<b>3B</b>	<b>4C</b>
YES	YES	YES	<b>N/A</b>	<b>4B</b>

- The commission on a unit owner’s policy will be retained, in full, by the agent/producer;
- The Reserve Fund Assessment, Probation Surcharge, and Federal Policy Fee will be refunded on a pro-rata basis; *and*
- The premium refund will be calculated on a pro-rata basis.

An existing policy written under the Dwelling Form or RCBAP Form may be endorsed to increase amounts of coverage in accordance with Endorsement rules. They may not be endorsed mid-term to reduce coverage.

## **X. APPLICATION FORM**

The agent/producer should complete the entire Flood Insurance Application according to the directions in the Application section of this manual and attach 2 new photographs that show the front and back of the building and that were taken and dated within 90 days of the submission date. The photographs must confirm the building’s description, and at least 1 photograph must clearly show the location of the lowest floor used for rating the risk.

### **A. Type of Building**

For an RCBAP, the “Building” section of the Flood Insurance Application must indicate the total number of units in the building and whether the building is a high-rise or low-rise.

High-rise (vertical) condominium buildings are defined as containing at least 5 units and having at least 3 floors. Note that an enclosure below an elevated floor building, even if it is the lowest floor for rating purposes, cannot be counted as a floor to classify the building as a high-rise condominium building.

Low-rise condominium buildings are defined as having fewer than 5 units and/or fewer than 3 floors. Low-rise also includes all townhouses/rowhouses regardless of the number of floors or units, and all detached single-family buildings.

For a Dwelling Form used to insure a condominium unit, see the Application section of this manual.

### **B. Replacement Cost Value**

For an RCBAP, use normal company practice to estimate the RCV and enter the value in the “Building” section of the Application. Include the cost of the building foundation when determining the RCV. Attach the appropriate valuation to the Application.

Acceptable documentation of a building’s RCV is a recent property valuation report that states the value of the building, including its foundation, on an RCV basis. The cost of bringing the building into compliance with local codes (law and ordinance) is not to be included in the calculation of the building’s replacement cost. To maintain reasonable accuracy of the RCV for the building, the agent/producer must update this information and provide it to the insurer at least every 3 years. (See sample notification letter regarding updating RCV on page CONDO 9.)

## **C. Coverage**

Ensure that the “Coverage and Rating” section of the Application accurately reflects the desired amount of building and contents coverage.

If only building insurance is to be purchased, inform the applicant of the availability of contents insurance for contents that are commonly owned. It is recommended that the applicant initial the contents coverage section if no contents insurance is requested. (This will make the applicant aware that the policy will not provide payment for contents losses.)

### **1. Building**

Enter the amount of insurance for building, Basic and Additional Limits. Enter full Basic Limits before entering any Additional Limits.

The building Basic Limit amount of insurance for high-rise condominium buildings is up to a maximum of \$175,000.

The building Basic Limit amount of insurance for low-rise condominium buildings is \$60,000 multiplied by the number of units in the building. The total amount of coverage desired on the entire building must not exceed \$250,000 (Regular Program limit) times the total number of units (residential and non-residential) in the building.

### **2. Contents**

Since the Program type must be Regular, enter the amount of insurance for contents, Basic and Additional Limits. Enter full Basic Limits before any Additional Limits. Contents coverage purchased by the association is for only those contents items that are commonly owned. For the Basic Limits amount of insurance, up to a maximum of \$25,000 may be filled in. For the Additional Limits, up to a total of \$75,000 may be filled in. The total amount of insurance available for contents coverage cannot exceed \$100,000.

**IMPORTANT FLOOD INSURANCE POLICY INFORMATION**

Agent's Name:

Agent's Address:

Re: Insured's Name:

Property Address:

Policy Number:

Dear Agent:

The letter is to inform you that the Replacement Cost Value (RCV) on file for the building referenced above, insured under the Residential Condominium Building Association Policy (RCBAP), must now be updated. The National Flood Insurance Program (NFIP) requires that the RCV be evaluated every 3 years; it has been at least 3 years since the RCV for the building has been updated.

The RCV as currently listed on the above-referenced policy is <INSERT CURRENT RCV>. The amount of building coverage on the policy is <INSERT CURRENT BUILDING COVERAGE>.

If the RCV indicated above needs to be revised, you must provide new documentation showing the revised RCV. Acceptable documentation of the building's RCV is a recent property valuation report that states the building's value, including the foundation, on an RCV basis.

If the RCV has not changed, you must provide either new RCV documentation or a statement signed by an officer or a representative of the Condominium Association confirming that the RCV is still valid.

Please be aware that to the extent that the amount of building coverage on the policy is not in an amount equal to the lesser of 80 percent or more of the full replacement cost of the building at the time of a loss or the maximum amount of insurance available under the NFIP, the Condominium Association may not be fully reimbursed for the loss.

If you have any questions about the information in this letter, please contact <INSERT CONTACT NAME AND TELEPHONE NUMBER>.

cc: Insured, Lender

- 1 Pre-FIRM construction refers to a building that has a start of construction date or substantial improvement date on or before 12/31/74, or before the effective date of the initial FIRM, whichever is later. If there has been a lapse in coverage, refer to Table 2B, Pre-FIRM Subsidized Rate Ineligibility Determination, to confirm whether Pre-FIRM subsidized rates can be used.
- 2 Refer to the Pre-FIRM rating hierarchy guidance and chart in Table 2C to determine which Pre-FIRM rate table to use.
- 3 Pre-FIRM buildings may use Post-FIRM elevation rating if more favorable to the insured. However, when the lowest floor elevation is below the Base Flood Elevation (BFE), follow the Submit-for-Rate procedures for policy processing.
- 4 Pre-FIRM elevated buildings with or without enclosure/crawlspace must use the "No Basement/Enclosure/Crawlspace" columns. Use the Lowest Floor Guide to determine the lowest floor elevation for rating. Unfinished partial enclosures below a Pre-FIRM building that are used solely for parking, storage, and building access and are located below the BFE are eligible for Special Rate Consideration.
- 5 Includes subgrade crawlspace.
- 6 Use Submit-for-Rate procedures if there is an elevator below the BFE regardless of whether there is an enclosure or not.
- 7 If the lowest floor of a crawlspace or subgrade crawlspace is -1, use submit-for-rate procedures (Pre-FIRM or Post-FIRM). If the lowest floor of an enclosure below the elevated floor of a Post-FIRM building is -1, also use submit-for-rate procedures.

- 1 Post-FIRM buildings in zones A, AO, or AH with basement, enclosure, crawlspace, or subgrade crawlspace: follow Submit-for-Rate procedures. Pre-FIRM buildings in AO or AH Zones with basement/enclosure/crawlspace/subgrade crawlspace at or above the BFE or Base Flood Depth are to use the "With Certification of Compliance or Elevation Certificate" rates and would not have to follow Submit-for-Rate procedures.
- 2 "With Certification of Compliance or Elevation Certificate" rates are to be used when the Elevation Certificate shows that the lowest floor elevation used for rating is equal to or greater than the community's elevation requirement, or when there is a Letter of Compliance. This rule applies to all building types, including buildings with basement/enclosure/crawlspace/subgrade crawlspace.
- 3 "Without Certification of Compliance or Elevation Certificate" rates are to be used on Post-FIRM buildings when the Elevation Certificate shows that the lowest floor elevation is less than the community's elevation requirement. These rates may be used for Pre-FIRM buildings when more favorable to the insured than Pre-FIRM subsidized rates.
- 4 Pre-FIRM buildings in Unnumbered A Zones with basement, enclosure, or crawlspace may use this table if the rates are more favorable to the insured. For buildings with subgrade crawlspace, follow the optional Submit-for-Rate procedures.
- 5 For elevation-rated policies, when contents are located 1 floor or more above the lowest floor used for rating, use .35/.12.
- 6 NO BASE FLOOD ELEVATION: Elevation difference is the measured distance between the lowest floor of the building and the highest adjacent grade next to the building.
- 7 WITH BASE FLOOD ELEVATION: Elevation difference is the measured distance between the lowest floor of the building and the BFE provided by the community or registered professional engineer, surveyor, or architect.
- 8 For policies with effective dates on or after October 1, 2011, the No Elevation Certificate rates apply only to renewals and transfers.

- 1 Pre-FIRM elevated buildings with or without enclosure/crawlspace must use the “No Basement/Enclosure/Crawlspace” columns. Use the Lowest Floor Guide to determine the lowest floor elevation for rating. Unfinished partial enclosures below a Pre-FIRM building that are used solely for parking, storage and building access and are located below the BFE are eligible for Special Rate Consideration.
- 2 Policies for 1975 through 1981 Post-FIRM and Pre-FIRM buildings in zones VE and V1–V30 will be allowed to use the Post-’81 V-Zone rate table if the rates are more favorable to the insured. See instructions in the Rating section for V-Zone Optional Rating.
- 3 For 1981 Post-FIRM construction rating, refer to Tables 5A and 5B.
- 4 Includes subgrade crawlspace.
- 5 Use Submit-for-Rate procedures if there is an elevator below the BFE regardless of whether there is an enclosure or not.
- 6 These rates are to be used if the lowest floor of the building is at or above the BFE.
- 7 Use Submit-for-Rate procedures if the enclosure below the lowest floor of an elevated building, which is used for rating, is 1 or more feet below the BFE.

	NON-ELEVATED WITH SUBGRADE CRAWLSPACE	1.11 / 1.08	1.52 / 2.03	1.47 / 2.75	1.96 / 5.05	.78 / .22	1.26 / .39

- 1 Use this table to rate a Pre-FIRM building that has been substantially improved on or after April 1, 2015. If there has been a lapse in coverage, refer to Table 2B in this section of the manual, Pre-FIRM Subsidized Rate Ineligibility Determination to confirm whether Pre-FIRM subsidized rates can be used.
- 2 Refer to the Pre-FIRM rating guidance hierarchy and chart in Table 2C to determine which Pre-FIRM rate table to use.
- 3 Pre-FIRM buildings may use Post-FIRM elevation rating if more favorable to the insured. However, when the lowest floor elevation is below the Base Flood Elevation (BFE), follow the Submit-for-Rate procedures for policy processing.

-2	***	***	***	.35 / .12

- 1 Pre-FIRM elevated buildings with or without enclosure/crawlspace must use the “No Basement/Enclosure/Crawlspace” columns. Use the Lowest Floor Guide to determine the lowest floor elevation for rating. Unfinished partial enclosures below a Pre-FIRM building that are used solely for parking, storage and building access and are located below the BFE are eligible for Special Rate Consideration.
- 2 If the Lowest Floor is -1 or lower because of an attached garage and the building is described and rated as a single-family dwelling, see the Lowest Floor Determination subsection in the Lowest Floor Guide section of this manual or contact the insurer for rating guidance; rate may be lower.
- 3 Includes subgrade crawlspace.
- 4 If the lowest floor of a crawlspace or subgrade crawlspace is -1, use submit-for-rate procedures (Pre-FIRM or Post-FIRM). If the lowest floor of an enclosure below the elevated floor of a Post-FIRM building is -1, also use submit-for-rate procedures.

\*\*\*Use the SRG manual.

1 Zone A buildings with basement/enclosure without proper openings/crawlspace without proper openings/subgrade crawlspace: follow Submit-for-Rate procedures in the Rating section of this manual.

2 Pre-FIRM buildings with basement, enclosure, or crawlspace may use this table if the rates are more favorable to the insured. For buildings with subgrade crawlspace, follow the optional Submit-for-Rate procedures.

3 For elevation-rated policies, when contents are located 1 floor or more above lowest floor used for rating, use .35/.12.

4 NO BASE FLOOD ELEVATION: Elevation difference is the measured distance between the lowest floor of the building and the highest adjacent grade next to the building.

5 WITH BASE FLOOD ELEVATION: Elevation difference is the measured distance between the lowest floor of the building and the BFE provided by the community or registered professional engineer, surveyor, or architect.

6 For policies with effective dates on or after October 1, 2011, the No Elevation Certificate rates apply only to renewals and transfers.

\*\*\*Use the SRG manual.

1 Pre-FIRM elevated buildings with or without enclosure/crawlspace must use the “No Basement/Enclosure/Crawlspace” columns. Use the Lowest Floor Guide to determine the lowest floor elevation for rating. Unfinished partial enclosures below a Pre-FIRM building that are used solely for parking, storage, and building access and are located below the BFE are eligible for Special Rate Consideration.

2 Policies for 1975 through 1981 Post-FIRM and Pre-FIRM buildings in zones VE and V1–V30 will be allowed to use the Post-'81 V Zone rate table if the rates are more favorable to the insured. See instructions in the Rating section for V-Zone Optional Rating.

3 For 1981 Post-FIRM construction rating, refer to Tables 5A and 5B.

4 Includes subgrade crawlspace.

5 These rates are to be used if the lowest floor of the building is at or above the BFE.

6 Use Submit-for-Rate procedures if the enclosure below the lowest floor of an elevated building, which is used for rating, is 1 or more feet below the BFE.

\*\*\*Use the SRG manual.

**REGULAR PROGRAM — 1975–1981 POST-FIRM CONSTRUCTION  
UNNUMBERED V ZONE — ELEVATED BUILDINGS**

**SUBMIT FOR RATING**

**TABLE 5A. RCBAP HIGH-RISE AND LOW-RISE CONDOMINIUM RATES**

(Including Townhouse/Rowhouse)

ANNUAL RATES PER \$100 OF COVERAGE

**1981 POST-FIRM V1–V30, VE ZONE RATES<sup>1</sup>  
ELEVATED BUILDINGS FREE OF OBSTRUCTION<sup>2</sup> BELOW THE  
BEAM SUPPORTING THE BUILDING’S LOWEST FLOOR**

ELEVATION OF THE BOTTOM OF THE FLOOR BEAM OF THE LOWEST FLOOR ABOVE OR BELOW THE BFE ADJUSTED FOR WAVE HEIGHT AT BUILDING SITE <sup>3</sup>	BUILDING RATE	CONTENTS RATE
+4 or more	1.06	.64
+3	1.21	.67
+2	1.64	1.00
+1	2.23	1.41
0	2.81	1.83
-1	3.39	2.48
-2	4.11	3.41
-3	5.02	4.34
-4 or lower	***	***

Rates above are only for elevated buildings. Use the *Specific Rating Guidelines* for non-elevated buildings.

- 1 Policies for 1975 through 1981 Post-FIRM and Pre-FIRM buildings in zones VE and V1–V30 will be allowed to use the Post-'81 V-Zone rate table if the rates are more favorable to the insured. See instructions in the Rating section for V-Zone Optional Rating.
- 2 Free of Obstruction – The space below the lowest elevated floor must be completely free of obstructions or any attachment to the building, or may have:
  - a. Insect screening, provided that no additional supports are required for the screening; or
  - b. Wooden or plastic lattice with at least 40% of its area open and made of material no thicker than ½ inch; or
  - c. Wooden or plastic slats or shutters with at least 40% of their area open and made of material no thicker than 1 inch.
  - d. One solid breakaway wall or a garage door, with the remaining sides of the enclosure constructed of insect screening, wooden or plastic lattice, slats, or shutters.

Any of these systems must be designed and installed to collapse under stress without jeopardizing the structural support of the building, so that the impact on the building of abnormally high tides or wind-driven water is minimized. Any machinery or equipment below the lowest elevated floor must be at or above the BFE.
- 3 Wave height adjustment is not required in those cases where the Flood Insurance Rate Map indicates that the map includes wave height.

**NOTE:** For high-rise only, use Submit-for-Rate procedures if there is an elevator below the BFE enclosed with lattice, slats, or shutters (including louvers).

\*\*\*Use the SRG manual.

**TABLE 5B. RCBAP HIGH-RISE AND LOW-RISE CONDOMINIUM RATES**

- 1 Policies for 1975 through 1981 Post-FIRM and Pre-FIRM buildings in zones VE and V1–V30 will be allowed to use the Post-'81 V-Zone rate table if the rates are more favorable to the insured. See instructions in the Rating section for V-Zone Optional Rating.
- 2 Rates provided are only for elevated buildings, except those elevated on solid perimeter foundation walls. For buildings elevated on solid perimeter foundation walls, and for non-elevated buildings, use the *Specific Rating Guidelines* document.
- 3 With Obstruction – The space below has an area of less than 300 square feet with breakaway solid walls or contains equipment below the BFE. If the space below has an area of 300 square feet or more, or if any portion of the space below the elevated floor is enclosed with non-breakaway walls, submit for rating. If the enclosure is at or above the BFE, use the “Free of Obstruction” rate table on the preceding page. The elevation of the bottom enclosure floor is the lowest floor for rating (LFE). See the Rating section of this manual for details.
- 4 Wave height adjustment is not required in those cases where the Flood Insurance Rate Map indicates that the map includes wave height.
- 5 For buildings with obstruction, use Submit-for-Rate procedures if the enclosure below the lowest elevated floor of an elevated building, which is used for rating, is 1 or more feet below the BFE.

**NOTE:** For high-rise only, use Submit-for-Rate procedures if there is an elevator below the BFE.

\*\*\***Use the SRG manual.**

**CONDOMINIUM RATING EXAMPLE 1**  
**PRE-FIRM, LOW-RISE, WITH ENCLOSURE, COINSURANCE PENALTY, ZONE A**

**REGULAR PROGRAM:**

- Building Coverage: \$140,000
- Contents Coverage: \$100,000
- Condominium Type: Low-rise
- Flood Zone: A
- Occupancy: Other Residential
- Number of Units: 6
- Date of Construction: Pre-FIRM
- Building Type: 3 or More Floors, Including Enclosure
- Deductible: \$2,000/\$2,000
- Deductible Factor: 1.000
- Replacement Cost: \$600,000
- Elevation Difference: N/A
- 80% Coinsurance Amount: \$480,000
- ICC Premium: \$70 (\$30,000 Coverage)
- CRS Rating: N/A
- CRS Discount: N/A
- Reserve Fund Assessment: \$428
- Probation Surcharge: N/A
- HFIAA Surcharge: RCBAP \$250
- Federal Policy Fee: \$400

**DETERMINED RATES:**

Building: .93 / 1.23                      Contents: 1.18 / 1.58

ESTIMATED BUILDING REPLACEMENT COST (INCLUDING FOUNDATION): \$600,000					DEDUCTIBLE: BUILDING \$2,000		CONTENTS \$2,000

								<b>TOTAL AMOUNT DUE</b>		<b>\$3,930</b>

**NOTICE:** BUILDING COVERAGE BENEFITS – EXCEPT FOR A RESIDENTIAL CONDOMINIUM BUILDING – ARE NOT AVAILABLE IF OTHER NFIP BUILDING COVERAGE HAS BEEN PURCHASED BY THE APPLICANT OR ANY OTHER PARTY FOR THE SAME BUILDING.  
 THE ABOVE STATEMENTS ARE CORRECT TO THE BEST OF MY KNOWLEDGE. I UNDERSTAND THAT ANY FALSE STATEMENTS MAY BE PUNISHABLE BY FINE AND/OR IMPRISONMENT UNDER APPLICABLE FEDERAL LAW. SEE REVERSE SIDE OF COPIES.

\_\_\_\_\_/\_\_\_\_\_/\_\_\_\_\_  
 SIGNATURE OF INSURANCE AGENT/PRODUCER                      DATE (MM/DD/YYYY)

\_\_\_\_\_/\_\_\_\_\_/\_\_\_\_\_  
 SIGNATURE OF INSURED (OPTIONAL)                                      DATE (MM/DD/YYYY)

**PREMIUM CALCULATION:**

1. Multiply Rate x \$100 of Coverage:                      Building: \$1,302 / Contents: \$1,480
2. Apply Deductible Factor:                                      Building: 1.000 x \$1,302 = \$1,302 / Contents: 1.000 x \$1,480 = \$1,480
3. Premium Reduction/Increase:                              Building: \$0 / Contents: \$0
4. Annual Subtotal:    \$2,782
5. Add ICC Premium:    \$70
6. Subtotal:    \$2,852
7. Subtract CRS Discount:    N/A
8. Subtotal:    \$2,852
9. Add Reserve Fund Assessment:                              \$428 (15%)
10. Subtotal:    \$3,280
11. Add Probation Surcharge:    N/A
12. Add HFIAA Surcharge:    \$250
13. Add Federal Policy Fee:    \$400
- 14. Total Amount Due:    \$3,930**

**CLAIMS ADJUSTMENT WITH COINSURANCE PROVISION:**

Claim Payment is determined as follows:  

$$\frac{(\text{Insurance Carried}) \quad \$140,000}{(\text{Insurance Required}) \quad \$480,000} \times (\text{Amount of Loss}) \$100,000 = (\text{Limit of Recovery}) \$29,167 - \text{Less Deductible}$$
 (Coinsurance Penalty applies because minimum insurance amount of \$480,000 was not met.)

**CONDOMINIUM RATING EXAMPLE 2  
PRE-FIRM, LOW-RISE, NO BASEMENT/ENCLOSURE, ZONE AE**

**REGULAR PROGRAM:**

- Building Coverage: \$480,000
- Contents Coverage: \$50,000
- Condominium Type: Low-rise
- Flood Zone: AE
- Occupancy: Other Residential
- Number of Units: 6
- Date of Construction: Pre-FIRM
- Building Type: 1 Floor, No Basement
- Deductible: \$2,000/\$2,000
- Deductible Factor: 1.000
- Replacement Cost: \$600,000
- Elevation Difference: N/A

									PROBATION SURCHARGE	\$0
									HFIAA SURCHARGE	\$250
									FEDERAL POLICY FEE	\$2,000
									<b>TOTAL AMOUNT DUE</b>	<b>\$14,987</b>

**PREMIUM CALCULATION:**

1. Multiply Rate x \$100 of Coverage: Building: \$11,612 / Contents: \$263
2. Apply Deductible Factor: Building: .920 x \$11,612 = \$11,391 / Maximum Total Discount of \$221 applies
3. Premium Reduction: Building: \$11,612 - \$11,391 = \$221 / Contents: \$0
4. Annual Subtotal: \$11,654
5. Add ICC Premium: \$5
6. Subtotal: \$11,659
7. Subtract CRS Discount: -\$583 (5%)
8. Subtotal: \$11,076
9. Add Reserve Fund Assessment: \$1,661 (15%)
10. Subtotal: \$12,737
12. Add Probation Surcharge: N/A
12. Add HFIAA Surcharge: \$250
13. Add Federal Policy Fee: \$2,000
- 14. Total Amount Due: \$14,987**

**CLAIMS ADJUSTMENT WITH COINSURANCE PROVISION:**

Coinsurance Penalty does not apply since the minimum insurance amount of 80% was met.

**NOTE:** The NFIP accepts premium only in whole dollars. If the discount for an optional deductible does not result in a whole-dollar premium, round up if 50¢ or more; round down if less. Always submit gross premium.

**CONDOMINIUM RATING EXAMPLE 9  
PRE-FIRM, HIGH-RISE, ENCLOSURE, MAXIMUM DEDUCTIBLE DISCOUNT,  
COINSURANCE PENALTY, ZONE AE**

**REGULAR PROGRAM:**

- Building Coverage: \$4,000,000
- Contents Coverage: \$100,000
- Condominium Type: High-rise
- Flood Zone: AE
- Occupancy: Other Residential
- Number of Units: 200
- Date of Construction: Pre-FIRM
- Building Type: 3 or More Floors, Including Enclosure
- Deductible: \$3,000/\$3,000
- Deductible Factor: .980 (Maximum Total Discount of \$111 applies)
- Replacement Cost: \$18,000,000
- Elevation Difference: N/A
- 80% Coinsurance Amount: \$14,400,000
- ICC Premium: \$70 (\$30,000 Coverage)
- CRS Rating: N/A
- CRS Discount: N/A
- Reserve Fund Assessment: \$2,228

\_\_\_\_\_/\_\_\_\_\_/\_\_\_\_\_  
SIGNATURE OF INSURED (OPTIONAL)                                      DATE (MM/DD/YYYY)

**PREMIUM CALCULATION:**

1. Multiply Rate x \$100 of Coverage: Building: \$13,435 / Contents: \$1,303
2. Apply Deductible Factor: Building: .980 x \$13,435 = \$13,324 / Maximum Total Discount of \$111 applies
3. Premium Reduction: Building: \$13,435 - \$13,324 = \$111 / Contents: \$0
4. Annual Subtotal: \$14,782
5. Add ICC Premium: \$70
6. Subtotal: \$14,852
7. Subtract CRS Discount: \$0
8. Subtotal: \$14,852
9. Add Reserve Fund Assessment: \$2,228 (15%)
10. Subtotal: \$17,080
11. Add Probation Surcharge: N/A
12. Add HFIAA Surcharge: \$250
13. Add Federal Policy Fee: \$2,000
- 14. Total Amount Due: \$19,330**

**CLAIMS ADJUSTMENT WITH COINSURANCE PROVISION:**

Claim Payment is determined as follows:

$$\frac{(\text{Insurance Carried}) \$4,000,000}{(\text{Insurance Required}) \$14,400,000} \times (\text{Amount of Loss}) \$1,000,000 = (\text{Limit of Recovery}) \$277,778 - \text{Less Deductible}$$

(Coinsurance Penalty applies because minimum insurance amount of \$14,400,000 was not met.)
