

NATIONAL LEVEL EXERCISE 2018

FEMA leads national level exercises every two years to make sure the country is prepared for disasters. In 2018, the National Level Exercise (NLE) centered on a major mid-Atlantic hurricane.

12,000+

individuals participated in NLE 2018, including:

67

local jurisdictions

5 states and the District of Columbia

160

private sector organizations

91

Federal departments and agencies

450,000

individuals reached through U.S. Coast Guard, Ardent Sentry, and Citadel Gale accountability drills

Building a culture of preparedness through NLE 2018

1,000+
