## FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA)

## FEMA RESERVIST PROGRAM

Reservists manage specific disasters, emergencies, projects or activities of a non-continuous nature. A Reservist is a temporary employee who works intermittently to supplement the force of a permanent FEMA staff that reaches out in times of emergency or disaster. For those that may be interested in Reservist employment, you will also need to apply for an open position through **USAJOBS.gov**. Visit [www.fema.gov/careers](http://www.fema.gov/careers) for more information.
