**PUBLIC NOTICE**

**Notice of Availability of the Draft Environmental Assessment  
For Washington Township Fire Station, Fire Station Construction Grant  
American Recovery and Reinvestment Act  
Washington Township, Macomb County, Michigan**

Environmental Assessment (EA) for the Washington Township Fire Station construction project.

Interested persons are hereby notified that the Federal Emergency Management Agency (FEMA)/Department of Homeland Security (DHS) is proposing to provide funding for the construction of a new Fire Station #1 for Washington Township located on the south side of 27 Mile Road between M-53 and Jewell Road (N 42° 45' 39.52" and W 83° 01' 22.08"). This project is to construct a single-story 17,745 square foot fire station, asphalt paved driveways and parking, and a 250 feet by 140 feet detention pond to hold storm water runoff. In accordance with the National Environmental Policy Act (NEPA) of 1969 and the implementing regulations of FEMA, an EA is being prepared to assess the potential impacts of each of the proposed alternatives on the human and natural environment. This also provides public notice to invite public comments on the proposed project in accordance with Executive Order 11988, Floodplain Management, and Executive Order 11990, Protection of Wetlands. In addition, this notice and the draft EA provide information to the public on potential impacts to historic and cultural resources from the proposed undertaking, as outlined in the National Historic Preservation Act (NHPA) of 1966.

The draft EA is available for review between February 17, 2010 and March 17, 2010 at the Washington Township Hall located at 57900 Van Dyke, Washington Township, MI 48094. The draft EA is also available for review online at the FEMA website <http://www.fema.gov/plan/ehp/envdocuments/ea-region5.shtm>.

Written comments regarding this environmental action should be received no later than 5 p.m. on March 17, 2010, by Amanda C. Ratliff, Regional Environmental Officer, FEMA, 536 South Clark Street, 6<sup>th</sup> Floor, Chicago, IL 60605-1521, or at [Amanda.Ratliff@dhs.gov](mailto:Amanda.Ratliff@dhs.gov).

If no substantive comments are received by the above deadline, the draft EA and associated Finding of No Significant Impact (FONSI) will become final and be published by FEMA. Substantive comments will be addressed as appropriate in the final documents.

The public may request a copy of the final environmental documents from Amanda C. Ratliff at the address listed above.
