

In 2007 FEMA launched the *HAZUS Hot Zone*, a newsletter that highlights new developments, activities and practices associated with HAZUS-MH.

**HAZUS Hot Zone -- July 2010  
Special Conference Edition**

The [July 2010 issue of FEMA's HAZUS Hot Zone](#) newsletter is a Special Conference Edition for the 4th annual HAZUS conference, August 23-25, 2010, in Indiana. Topics include methods for keeping up with conference news, registration information for workshops, a draft of the conference schedule, a new deadline for the HAZUS map gallery, and the 2010 HAZUS program awards.

**HAZUS Hot Zone -- June 2010**

The [June 2010 issue of FEMA's HAZUS Hot Zone](#) newsletter contains news about the 4th Annual HAZUS Conference, using HAZUS to education the public about flood risk, mastering the logistics of a large scale HAZUS project, some results of the HAZUS User Study, a Lunch-and-Learn with the Florida HAZUS User Group, and the HAZUS presence at the national ASFPM conference.

**HAZUS Hot Zone -- April 2010**

The April 2010 issue of FEMA's HAZUS Hot Zone newsletter contains information about Indiana and Illinois Inventory Update Strategies, the 4th Annual HAZUS Conference, Training opportunities as ESRI, Online, and the Emergency Management Institute. Also covered are HAZUS User Group updates for a Success Story, the User of the Year, and the HAZUS Technical Compendium Series. Development updates in this issue cover the Surge Model and Help Desk Information. [Download the April 2010 HAZUS Hot Zone Newsletter.](#)

**HAZUS Hot Zone -- February 2010**

The February 2010 issue of FEMA's HAZUS Hot Zone newsletter contains information about the newest HAZUS User of the Year for the Quarter; Training Opportunities at FEMA's Emergency Management Institute; a welcome for the Rocky Mountain HUG; and news about software updates. [Download the February 2010 HAZUS Hot Zone Newsletter.](#)

**HAZUS Hot Zone -- May 2009**

The May issue of FEMA's HAZUS Hot Zone newsletter contains information about Using HAZUS-MH to Illustrate Earthquake Risk; 2009 2nd Quarter HAZUS User of the Year; South Carolina Success Story; HAZUS Training Information; and HAZUS Conference Events in 2009. [Download the May 2009 HAZUS Hot Zone Newsletter.](#)

**HAZUS Hot Zone -- March 2009**
