Judith,

I am requesting clearance for the proposed Fountain Road Temporary Housing Site. This proposed temporary housing site is approximately 5.75 acres in size and is located directly east of and adjacent to an existing trailer park. There are no buildings onsite and entire site is planted to grass and kept well mowed. The site is relatively level with 0 to 3 % slope. Please review and let me know if there are any cultural resource issues at this location. I have attached maps and a site photo, if you need anything else or have any questions, just give me a call

Thank you,

Luke M. Cory
