- Fields moved from old *Scope of Work* section
 - Please include all tasks necessary to implement this mitigation activity, the estimated timeframe for each task, and who will complete it.

Old format:

[old *Scope of Work* section]

The screenshot shows a web browser window displaying the FEMA.gov Project Application interface. The page title is "Scope of Work (Part 2 of 2)". The user is logged in as Eric Jordan, and the session expires in 28 minutes. The page indicates that the application is 27% complete. The main content area contains instructions for providing information and a note about required fields. A form titled "Enter Work Schedule" is present, with a field for "Estimate the total duration of the proposed activity:" and a dropdown menu for "Day(s)". Below the form is an "Add Task" button. At the bottom of the form area are "Go Back", "Save", and "Save and Continue" buttons. The left sidebar contains a navigation menu with 19 items, including "Application Status", "Applicant Information", "Contact Information", "Community Information", "Mitigation Plan Information", "Mitigation Activity Information", "Hazard Information", "Scope of Work", "Properties", "Decision Making Process", "Cost Estimate", "Match Sources", "Cost Effectiveness Information", "Environmental/History Preservation Information", "Maintenance Schedule", "Evaluation Information", "Comments and Attachments", "Assurances and Certifications", and "Review and Submit Application". The footer contains links for "fema home", "e-grants home", "contact us", "frequently asked questions", "glossary", "help", and "Disclosures".
