Table E-1. Archaeological Surveys - Proposed VAMC, LSU AMC, and MCLNO Locations

Survey No. 22-	Title	Author (Date)	Investigative Methods	Summary
144	Archaeological Examination of the Preconstruction Inspection Trench for the Thalia Street to Poydras Street Floodwall, Item M 95.6 to 95.0-L	Shenkel (1979)	Trench monitoring	Artifacts dating from the 18th to 20th centuries recovered from disturbed contexts, no site numbers assigned to finds
509	Cultural Resource Survey, Proposed Canal St. - Toulouse St. Floodwall, Orleans Parish, Louisiana	Sternberg and Shenkel (1976)	Trench monitoring	No cultural resources identified as a result of this survey
576	Archaeology of the Jazz Complex and Beauregard (Congo) Square, Louis Armstrong Park, New Orleans, Orleans Parish, Louisiana	Shenkel et al. (1980)	Unit excavations, trenching	Report on testing at Sites 16OR46 and 16OR47; no assessments of NRHP eligibility
694	Preliminary Historic Report. Section 106 Process - Cable Suspended Transit System	Enplanar, Inc. (1981)	Background research	Desktop examination of a proposed transit ROW
896	Archaeological Investigations of the Louisiana World Exposition 1984 Site, New Orleans, Louisiana	Beavers and Lamb (1983)	Unit excavations	No significant cultural resources identified as a result of this survey
898	An Archaeological Assessment of the Almonaster Chapel, Ancient Archbishopric, Old Ursuline Convent, New Orleans, Louisiana	Shenkel and Beavers (1978)	Background research, reconnaissance survey	Determined that Almonaster Chapel at NRHP listed Site 16OR46 was constructed during the 18th century
903	Archaeology of the Stableyard Complex, Hermann-Grima House, New Orleans, Louisiana	Lamb and Beavers (1983)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR45
910	Archaeological Investigations at the Hermann-Grima House	Shenkel (1977)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR45
911	Archaeological Excavations at the Hermann-Grima House	Davis and Giardino (1983)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR45
1082	An Archaeological and Physical Anthropological Study of the First Cemetery in New Orleans, Louisiana	Owsley et al. (1985)	Unit excavations	Report on limited test excavations at Site 16OR92; tested portions of site declared not eligible, recommended testing of other portions of site
1109	Archaeological Monitoring of Three Floodwall Projects in the City of New Orleans	Goodwin et al. (1986)	Trench monitoring	Examination of Sites 16OR98 - 16OR107 and 16 isolated finds; all sites assessed as not eligible
1254	Urban Archaeology in Old New Orleans: Historical and Archaeological Investigations within the Greater New Orleans Bridge No. 2 Right-of-Way	Castille et al. (1986)	Unit excavations, trenching	Report on data recovery excavations at sites 16OR76, 16OR77, 16OR78, 16OR79, 16OR80, 16OR81, 16OR82, 16OR83, 16OR84, 16OR85, 16OR86, 16OR88, 16OR89
1264	Gallier House Complex, 16OR46, Part 1: Gallier House	Hudson (1972a)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR46
1265	Gallier House Complex, 16OR46, Part 2: Warehouse Area	Hudson (1972b)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR46
1283	An Archaeological Survey and Plan for Sections of New Orleans	Goodwin et al. (1987)	Background research	Desktop study of potential for archaeological resources in the French Quarter, Faubourg Marigny, and Faubourg St. Marie
1290	Preliminary Report of Test Excavations at the U.S. Mint, 16OR52, New Orleans, Louisiana	Castille (1978)	Unit excavations	Report on limited test excavations on the grounds of NRHP listed Site 16OR52
1305	Archaeological Monitoring at the Old U. S. Mint, 16OR52, New Orleans, Louisiana	Gibbens (1978)	Trench monitoring	Report on archaeological features discovered during trench monitoring at NRHP listed Site 16OR52
1342	Demography and Pathology of an Urban Slave Population from New Orleans	Owsley et al. (1987)	Skeletal analysis	Skeletal analysis of 29 individuals recovered previously from Site 16OR92
1509	Archaeological Monitoring of the St. Peter Street Floodgates Project, Orleans Parish, Louisiana	Jones and Franks (1992)	Trench monitoring	No cultural resources identified as a result of this survey
1678	The Archaeology of Madame John's Legacy	Shenkel (1971)	Unit excavations	Preliminary report on limited test excavations at NRHP listed Site 16OR51
1696	A Survey of Archaeological Resources at St. Mary's Market, 16OR128, New Orleans, Louisiana	Boggess (1990)	Unit excavations	Report on limited testing at Site 16OR128; site declared NRHP eligible and data recovery recommended
1720	St. Louis II: The Cemetery in the Cultural Landscape, Final Performance Report	Pearson (1986)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR95
1764	Hermann-Grima Historic House, New Orleans, Louisiana: Ironing Room and Mystery Building Archaeological Testing	Beavers and Lamb (1993)	Unit excavations	Report on ongoing excavations at NRHP listed Site 16OR45
1847	Archaeological Monitoring at the United States Custom House (16OR138), Orleans Parish, Louisiana	Jones et al. (1994)	Trench monitoring	Archaeological remains at NRHP listed U. S. Custom House were designated Site 16OR138 and assessed as not significant
1898	Archaeological Monitoring at Harrah's Jazz Company Casino Site, Orleans Parish, Louisiana: Phase I Background Research	Maygarden and Dawdy (1995)	Background research	Desktop examination of archaeological potential at Harrah's Casino site

Table E-1. Archaeological Surveys - Proposed VAMC, LSU AMC, and MCLNO Locations

Survey No. 22-	Title	Author (Date)	Investigative Methods	Summary
2027	A Level I - Reconnaissance Cultural Resource Survey of Six Proposed Alternative Routes for the Proposed Canal Street Corridor Streetcar/Light Rail Line	Beavers (1995)	Background research	Desktop examination of six proposed ROW alternatives
2038	Archaeological Investigations at the Site of the Cabildo, New Orleans, Louisiana	Yakubik and Franks (1997)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR129
2046	Archaeological Investigations at the Villa Meilleur (16OR142)	Lee et al. (1997)	Shovel testing, unit excavations	Phase II examination of Site 16OR142; site assessed as NRHP eligible
2109	Beneath the Surface of New Orleans' Warehouse District: Archaeological Investigations at the Maginnis Cotton Mill Site (16OR144)	Dawdy and Ibanez (1997)	Unit excavations	Report on data recovery excavations at NRHP eligible Site 16OR144
2141	Madame John's Legacy (16OR51) Revisited: A Closer Look at the Archaeology of Colonial New Orleans	Dawdy (1998)	Unit excavations	Report on data recovery excavations at NRHP listed Site 16OR51
2142	Archaeological Investigations at the Conlee Site in New Orleans' French Quarter	Dawdy et al. (1998)	Shovel testing, unit excavations	Phase II examination of the Conlee Site (no site number); site assessed as not NRHP eligible
2247	Desire Corridor Major Investment Study: Preliminary Assessment of Effects on Cultural Resources	Godzinski et al. (1999)	Background research	Desktop assessment of proposed transit improvement project alternatives
2262	Management Summary for Archaeological Investigations at the St. Augustine Site (16OR148)	Matthews (1999)	Unit excavations	Preliminary report on data recovery excavations at NRHP eligible Site 16OR148
2267	PF.NET, LLC New Orleans-Pensacola Louisiana Documentation, Historic Properties Review of a Proposed Fiber Optics Corridor Within Louisiana Management Units IV and V, Mississippi River Drainage Basin, Orleans and St. Tammany Parishes, Louisiana	Klinger and Gray (1999)	Pedestrian survey, shovel testing	Previously recorded sites 16OR37, 16OR38, 16OR70, 16ST53, and 16ST122 determined to be outside the project area; monitoring recommended for previously recorded NR listed sites 16OR32 and 16OR57; newly recorded sites 16OR150, 16OR151, and 16ST191 declared
2318	Archaeological Investigations at the Bayou St. John Post Office Site (16OR145), New Orleans, Louisiana	Earth Search, Inc. (1997)	Pedestrian survey	Examination of Site 16OR145; site was assessed as not eligible due to disturbance
2522	Cultural Resources Evaluation, Desire Streetcar Line	Godzinsky et al. (2002)	Shovel testing, auger testing, mechanical trenching	Identification of high probability areas along proposed streetcar line; examination of Sites 16OR172, 16OR173, and 16OR174; recommendation of data recovery at sites 16OR172 and 16OR173, recommendation of monitoring at Site 16OR174
2544	Archaeological Monitoring and Data Recovery for the Reconstruction of Building IV, 419 Rue Decatur, Vieux Carre, New Orleans, Louisiana	Hardy et al. 2002	Unit excavations	Report on data recovery excavations at Site 16OR176
2640	Intensive Cultural Resources Survey, Howard Avenue Extension, Orleans Parish, Louisiana	Yakubik (2004)	Background research	Desktop assessment of proposed road extension; structural survey, no archaeological investigations
2717	Historical and Cartographic Background Research, National D-Day Museum Expansion Archaeological Mitigation Plan, New Orleans, Louisiana	Maygarden et al. (2005)	Background research	Background research for possible testing and data recovery efforts at the National D-Day Museum
2736	Cultural Resources Assessment of the Squares Bounded by S. Claiborne Avenue, Earhart Boulevard, Magnolia and Erato Streets, Orleans Parish, Louisiana	Orton et al. (2005)	Background research	Background research for possible testing and data recovery efforts at City Square 446
2758	Archaeological Monitoring for the Federal Emergency Management Agency (FEMA) Temporary Housing Project at the New Orleans Sewerage and Water Board Canal Street Site (OR-98), New Orleans, Orleans Parish, Louisiana	Gray (2006)	Trench monitoring	Examination of Site 16OR214; site was assessed as not eligible
2759	Archaeological Monitoring for the Federal Emergency Management Agency (FEMA) Temporary Housing Project (OR-90) at the A. L. Davis Park, New Orleans, Orleans Parish, Louisiana	Cramer (2006)	Trench monitoring	Examination of Site 16OR215; site was not assessed for NRHP eligibility
3057	Phase I Cultural Resources Survey of the B. W. Cooper Housing Project, New Orleans, Orleans Parish, Louisiana	Paulson et al. (2008)	Pedestrian survey, shovel testing	Examination of Sites 16OR263 - 16OR288; Sites 16OR269, 16OR270, 16OR274, and 16OR275 assessed as potentially eligible and additional work on these sites recommended
3058	Phase I & II Cultural Resources Survey of the Lafitte Housing Project, New Orleans, Orleans Parish, Louisiana (Management Summary)	Godzinsky et al. (2008)	Mechanical trenching, hand excavation of exposed features	Examination of Sites 16OR298 - 16OR313; Sites 16OR299, 16OR300, 16OR303, 16OR304, 16OR305, 16OR306, 16OR308, 16OR309, 16OR311, and 16OR313 declared NR eligible
no #	(report not filed as of date of this document)	Earth Search, Inc. (n.d.)	Unit excavations	Report on limited test excavations at NRHP eligible Site 16OR136
no #	Archaeological Investigations at the Grounds of the Old Ursuline Convent	Yakubik and Dawdy (1995)	Shovel testing	Report on limited test excavations at NRHP listed Site 16OR49

**Table E-2. Archaeological Sites - Proposed VAMC, LSU AMC, and MCLNO Locations**

Site #	Site Name	Site Type	Cultural Association	Topography	NRHP Assessment
16OR45	Hermann-Grima House	Historic residential	Early 18th century to 19th century	Natural levee	Listed
16OR46	Gallier House	Historic residential	19th century (structure dated to 1840)	Natural levee	Listed
16OR47	Culture Center	Historic scatter	Mid 18th century to mid 20th century	Natural levee	Unknown
16OR48	Congo Square, Beauregard Square, Fort San Fernando	Historic military fortification	Late 18th to early 19th century	Natural levee	Unknown
16OR49	Ursuline Convent	Historic religious convent, school	Early 18th century to 19th century	Natural levee	Listed
16OR51	Madame John's Legacy	Historical residential	Early 18th century to 19th century	Natural levee	Listed
16OR52	U.S. Branch Mint	Historic mint, military fortification	19th century	Natural levee	Listed
16OR81	Square 119	Historic residential, commercial	19th century	Natural levee	Eligible
16OR82	Square 138	Historic residential, commercial	19th century	Natural levee	Unknown
18OR83	Square 185, Margaret Square	Historic park	19th century	Natural levee	Unknown
16OR84	Square 255	Historic residential, commercial	19th century	Natural levee	Unknown
16OR85	Square 276	Historical residential	19th century	Natural levee	Eligible
16OR86	Square 441	Historical residential	19th century	Natural levee	Unknown
16OR88	Square 381	Historic residential, commercial	19th century	Natural levee	Unknown
16OR89	Square 237	Historic residential, commercial	19th century	Natural levee	Unknown
16OR92	Vieux Carre Cemetery, St. Peter St. Cemetery, Toulouse St. Cemetery	Historic cemetery	18th century to 19th century	Natural levee	Not Eligible
16OR95	St. Louis Cemetery #2	Historic cemetery	Historic	Natural levee	Listed
16OR98	Canal - Toulouse 1	Historic dump	Late 19th century to early 20th century	River batture	Not Eligible
16OR99	Canal - Toulouse 2	Historic scatter	Late 19th century to early 20th century	River batture	Not Eligible
16OR100	Canal - Toulouse 3	Historic scatter	Late 19th century to early 20th century	River batture	Not Eligible
16OR101	Canal - Toulouse 4	Historic scatter	Late 19th century to early 20th century	River batture	Not Eligible
16OR102	Canal - Toulouse 5	Historic scatter	Late 19th century to early 20th century	River batture	Not Eligible
16OR103	Canal - Toulouse 6	Historic scatter	Late 19th century to early 20th century	River batture	Not Eligible
16OR104	Barracks - Montegut 1	Modern scatter	Modern	River batture	Not Eligible
16OR115	Girod Street Cemetery	Historic cemetery	Historic	Natural levee	Not Eligible
16OR126	Dufour-Baldwin Site	Historic residential	19th century (structure dated to 1859)	Natural levee	Unknown
16OR128	St. Mary's Market	Historic market	Early to late 19th century	River batture	Eligible
16OR129	Cabildo	Historic government building, jail	18th century to 19th century	Natural levee	Listed
16OR136	Square 62, Durel Cottage	Historic military barracks, residential	18th century to 19th century	Natural levee	Eligible
16OR138	U. S. Custom House	Historic government building	Mid 19th century	Natural levee	Listed
16OR140	Rionda-Nelson	Historic residential, school	19 century to 20th century	Natural levee	Potentially eligible
16OR141	Helena St. Martin	Historic residential	Late 18th century to 20th century	Natural levee	Not Eligible
16OR142	Villa Meilleur	Historic residential, commercial, industrial	19th century	Natural levee	Eligible

**Table E-2. Archaeological Sites - Proposed VAMC, LSU AMC, and MCLNO Locations**

Site #	Site Name	Site Type	Cultural Association	Topography	NRHP Assessment
16OR144	Maginnis Cotton Mill	Historic plantation, commercial, industrial, school	18th century to 20th century	Natural levee	Eligible
16OR145	Bayou St. John Post Office	Historic scatter	19th century	Natural levee	Not Eligible
16OR148	Treme Plantation House	Historic plantation, school, church	18th century to 20th century	Natural levee	Eligible
16OR162	St. Thomas Square 69	Historic residential, commercial	19th century to early 20th century	Natural levee	Eligible
16OR174	n/a	Historic residential, commercial-maritime/fortification	Late 18th to early 19th century	Natural levee	Potentially eligible
16OR176	419 Rue Decatur	Historic residential, industrial	18th century to 20th century	Natural levee	Potentially eligible
16OR179	St. Louis Cemetery #1	Historic cemetery	18th century to 20th century	Natural levee	Listed
16OR180	Iberville Square 130	Historic residential, commercial	Early 19th century to early 20th century	Natural levee	Eligible
16OR183	1500/02 Dumaine Street	Historic residential, commercial	19th century to early 20th century	Natural levee	Eligible
16OR184	919 N. Villere Street	Historic residential	19th century to early 20th century	Natural levee	Eligible
16OR185	1834/1836 Ursuline Avenue	Historic residential	19th century to early 20th century	Drained backswamp	Unknown
16OR186	1808/1810 Bayou Road	Historic residential	19th to 20th century	Natural levee	Unknown
16OR187	1708 Bayou Road	Historic residential	19th century to early 20th century	Natural levee	Eligible
16OR188	1615 Esplanade Avenue	Historic residential	19th century to early 20th century	Natural levee	Unknown
16OR209	Lower Pontalba Building	Historic governor's residence, residential, commercial	18th century to 20th century	Natural levee	Potentially eligible
16OR211	D-Day Museum Locus 1	Historic residential	Mid to late 19th century	Natural levee	Not Eligible
16OR214	City Square 473	Historic dump	20th century	Drained backswamp	Not Eligible
16OR217	Lafitte Gardens	Historic residential (government housing)	20th century	Natural levee	Not Eligible
16OR220	Hirsch Barrel Warehouse and Cooper Shop	Historic commercial	Late 19th century to early 20th century	Drained backswamp	Not Eligible
16OR225	Rising Sun Hotel	Prehistoric unknown; Historic residential, agricultural, commercial	Unknown prehistoric, 18th century to 19th century	Natural levee	Unknown
16OR227	Rousseve House	Historic residential	Late 19th century to 20th century	Natural levee	Unknown
16OR243	1527 Carondelet Street	Historic residential	Late 19th century to 20th century	Natural levee	Unknown
16OR244	2818-20 Thalia Street	Historic unknown	Late 19th century to 20th century	Natural levee	Unknown
16OR249	1124 LaSalle Street	Historic residential	Late 19th century to 20th century	Drained backswamp	Unknown
16OR252	919 N. Robertson Street	Historic residential	Late 19th century to early 20th century (ca. 1890-1920)	Drained backswamp	Unknown
16OR259	1217 Barracks Street	Historic dump	Mid 19th century	Natural levee	Potentially eligible
16OR261	City Square 158, Sam Lee Chinese Laundry	Historic residential, commercial	Late 19th century to 20th century	Natural levee	Eligible
16OR262	City Square 159, Delord Sarpy #2 Site	Historic residential, commercial	Early 19th century to 20th century	Natural levee	Eligible
16OR263	BW Cooper Square 462A	Historic residential	Late 19th century to 20th century	Drained backswamp	Not Eligible
16OR264	BW Cooper Square 463A	Historic residential	Late 19th century to 20th century	Drained backswamp	Not Eligible
16OR265	BW Cooper Square 464A	Historic residential	Late 19th century to 20th century	Drained backswamp	Not Eligible
16OR266	BW Cooper Square 465A	Historic residential	Late 19th century to 20th century	Drained backswamp	Not Eligible

**Table E-2. Archaeological Sites - Proposed VAMC, LSU AMC, and MCLNO Locations**

16OR313	Lafitte Square 310	Historic residential	Late 19th century to early 20th century (1880-1930)	Drained backswamp	Eligible
16OR325	2822-2824 Thalia Street	Historic residential	Late 19th century to early 20th century (ca. 1890-1920s)	Drained backswamp	Unknown
16OR327	1309 South Gayoso Street	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR340	3336 1st Street	Historic residential	20th century (ca. 1950s)	Drained backswamp	Unknown
16OR346	3225 Washington Avenue	Historic residential	19th century to 20th century	Drained backswamp	Unknown
16OR354	3605-07 4th Street	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR365	820 North Galvez Street	Historic residential	Mid 20th century (ca. 1950)	Drained backswamp	Unknown
16OR383	4500 Ray Avenue	Historic residential	Mid 20th century (ca. 1950)	Ridge	Unknown
16OR385	2112-14 Martin Luther King, Jr. Boulevard	Historic residential	Late 19th century to early 20th century (ca. 1890-1920s)	Drained backswamp	Unknown
16OR388	2016-18 Saint Louis Street	Historic residential	Early 20th century	Drained backswamp	Unknown
16OR391	1227-29 South Gayosos Street	Historic residential	Mid 20th century (ca. 1950)	Drained backswamp	Unknown
16OR392	2813-15 Martin Luther King, Jr. Boulevard	Historic residential	Late 19th century to early 20th century (ca. 1890-1920s)	Drained backswamp	Unknown
16OR393	2826-2828 Thalia Street	Historic residential	Late 19th century to early 20th century (ca. 1890-1920s)	Drained backswamp	Unknown
16OR402	1130 Baronne Street	Historic residential	Late 19th century to early 20th century	Natural levee	Unknown
16OR404	1226 Simon Bolivar Avenue	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR409	732-38 South Genois Street	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR414	2229 Jackson Avenue	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR418	1312-14 South Roman Street	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR419	1416 South Derbigny Street	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR423	622 South Rocheblave Street	Historic residential	Late 19th century to early 20th century	Drained backswamp	Unknown
16OR443	Antoine Garden	Historic garden, residential	Early 18th century to 20th century	Natural levee	Unknown

**Table E-3. Archaeological Surveys - Proposed Lindy Boggs Location**

<b>Survey No. 22-</b>	<b>Title</b>	<b>Author (Date)</b>	<b>Investigative Methods</b>	<b>Summary</b>
694	Preliminary Historic Report. Section 106 Process - Cable Suspended Transit System	Enplanar, Inc. (1981)	Background research	Desktop examination of a proposed transit ROW
2027	A Level I - Reconnaissance Cultural Resource Survey of Six Proposed Alternative Routes for the Proposed Canal Street Corridor Streetcar/Light Rail Line	Beavers (1995)	Background research	Desktop examination of six proposed ROW alternatives
2267	PF.NET, LLC New Orleans-Pensacola Louisiana Documentation, Historic Properties Review of a Proposed Fiber Optics Corridor Within Louisiana Management Units IV and V, Mississippi River Drainage Basin, Orleans and St. Tammany Parishes, Louisiana	Klinger and Gray (1999)	Pedestrian survey, shovel testing	Previously recorded sites 16OR37, 16OR38, 16OR70, 16ST53, and 16ST122 determined to be outside the project area; monitoring recommended for previously recorded NR listed sites 16OR32 and 16OR57; newly recorded sites 16OR150, 16OR151, and 16ST191 declared
2318	Archaeological Investigations at the Bayou St. John Post Office Site (16OR145), New Orleans, Louisiana	Earth Search, Inc. (1997)	Pedestrian survey	Examination of Site 16OR145; site was assessed as not eligible due to disturbance
2758	Archaeological Monitoring for the Federal Emergency Management Agency (FEMA) Temporary Housing Project at the New Orleans Sewerage and Water Board Canal Street Site (OR-98), New Orleans, Orleans Parish, Louisiana	Gray (2006)	Trench monitoring	Examination of Site 16OR214; site was assessed as not eligible
3058	Phase I & II Cultural Resources Survey of the Lafitte Housing Project, New Orleans, Orleans Parish, Louisiana (Management Summary)	Godzinsky et al. (2008)	Mechanical trenching, hand excavation of exposed features	Examination of Sites 16OR298 - 16OR313; Sites 16OR299, 16OR300, 16OR303, 16OR304, 16OR305, 16OR306, 16OR308, 16OR309, 16OR311, and 16OR313 declared NR eligible

**Table E-4. Archaeological Sites - Proposed Lindy Boggs Location**

Site #	Site Name	Site Type	Cultural Association	Topography	NRHP Assessment
16OR73	Sands Site	Historic with well or cistern	Historic	Natural levee	Associated with listed structure (Jean Marie Saux Building), non-contributing element
16OR108	Charity Hospital Cemetery	Historic cemetery	1849-1929	Natural levee	Eligible
16OR145	Bayou St. John Post Office	Historic scatter	19th Century	Natural levee	Not Eligible
16OR175	Charity Hospital Cemetery	Historic cemetery	Mid 19th Century to 21 Century (1847-present)	Natural levee	Eligible
16OR214	City Square 473	Historic dump	20th Century	Drained backswamp	Not Eligible
16OR220	Hirsch Barrel Warehouse and Cooper Shop	Historic wooden barrel warehouse and cooper shop	Late 19th Century to early 20th Century	Drained backswamp	Not Eligible
16OR224	Pitot House	Historic sheet midden associated with late 18th century house; early 19th century amusement park	Late 18th - mid 20th Century	Natural levee	Shares lot with relocated listed structure (Pitot House), but not associated with structure; may be eligible under separate or amended listing
16OR260	4621 Canal Street	Historic school	Late 19th century	Drained backswamp	Potentially eligible
16OR306	Lafitte Square 269	Historic residential	Turn of 20th Century (1880-1930)	Drained backswamp	Eligible
16OR307	Lafitte Square 270	Historic residential, industrial	Turn of 20th Century (1880-1930)	Drained backswamp	Eligible
16OR308	Lafitte Square 281	Historic residential	Turn of 20th Century (1880-1930)	Drained backswamp	Eligible
16OR309	Lafitte Square 282	Historic residential	Turn of 20th Century (1880-1930)	Drained backswamp	Eligible
16OR310	Lafitte Square 297	Historic residential	Turn of 20th Century (1880-1930)	Drained backswamp	Eligible
16OR311	Lafitte Square 298	Historic residential	Turn of 20th Century (1880-1930)	Drained backswamp	Eligible
16OR312	Lafitte Square 309	Historic residential, industrial, institutional	Turn of 20th Century (1880-1930)	Drained backswamp	Eligible
16OR313	Lafitte Square 310	Historic residential	Late 19th century to early 20th century (1880-1930)	Drained backswamp	Eligible
16OR338	n/a	Historic residential	Modern-circa 1950s	Drained backswamp	Unknown
16OR339	n/a	Historic residential	Turn of 20th Century (1890-1910)	Drained backswamp	Unknown
16OR365	820 North Galvez Street	Historic residential	Mid 20th century (ca. 1950)	Drained backswamp	Unknown

**Table E-5. Archaeological Surveys - Proposed Ochsner Location**

Survey No. 22-	Title	Author (Date)	Investigative Methods	Results and Recommendations
0349	State Project No. 714-22-50, Railroad Relocation and Adjustment, KCS, ICG, SP, and NOT Railroads, Williams Boulevard - Shrewsbury, Metairie and Jefferson Parishes, Louisiana.	Rivet, Philip G. (1977)	Records review, field reconnaissance	Identified one previously recorded site in the project area (16JE43); did not relocate this site. No additional work recommended.
1170	Cultural Resources Survey of West Bank Levee Construction Items, Waggaman to Gretna, Louisiana.	Goodwin et al. (1986)	Field reconnaissance, shovel testing, standing structure recordation	Identified two archaeological sites within the project area (16JE143, 16JE156); assessed 16JE143 as not eligible; determined 16JE156 to represent archaeological component of Magnolia Lane Plantation, which is a listed NRHP property; recorded 18 standing structures.

**Table E-6. Archaeological Sites - Proposed Ochsner Location**

<b>Site #</b>	<b>Site Name</b>	<b>Site Type</b>	<b>Cultural Association</b>	<b>Topography</b>	<b>NRHP Assessment</b>
16JE31	Camp Parapet	Military Camp	Mid 19th century (Civil War)	Natural levee	Powder Magazine Listed, Arcaheological Component Not Assessed
16JE43	Southern Railroad	Conical earth mound	Unknown Prehistoric	Natural levee	Not Eligible
16JE156	Magnolia Lane	Plantation structures	19th-early 20th Century	Natural levee	Listed
16OR152	n/a	Historic railroad embankment	Unknown Historic	Drained backswamp	Not Eligible
