- **UASI.** The allocation methodology for FY 2010 UASI will be based on DHS' risk methodology.

Note: Per the *Implementing Recommendations of the 9/11 Commission Act of 2007* (Public Law 110-53) and the *Department of Homeland Security Appropriations Act, 2010* (Public Law 111-83), states are also required to ensure that at least 25 percent of their SHSP award funds and 25 percent of their UASI award funds are dedicated towards law enforcement terrorism prevention activities.

- **OPSG.** The allocation methodology for the FY 2010 OPSG will be made on a competitive basis to designated localities within U.S. Border States and based on risk analysis and the anticipated feasibility and effectiveness of proposed investments by the applicants. FEMA will not be announcing allocations in advance for OPSG.
- **MMRS.** FY 2010 MMRS funding will be divided evenly among 124 MMRS jurisdictions who were recipients of past awards.
- **CCP.** The allocations are determined using Public Law 107-56 formula, which specifies that all 50 states, the District of Columbia and Puerto Rico will receive a minimum of 0.75 percent of the total available grant funding, and that four territories (American Samoa, Guam, the Northern Mariana Islands and the U.S. Virgin Islands) will receive a minimum of 0.25 percent of the total available grant funding. The balance of CCP funds are distributed on a population-share basis.
