Public Assistance Grant Awards

*This Report Does not Include Public Assistance De-Obligations. Obligations are subject to adjustment over the life of the Project.
 **FEMA obligates funding for a project directly to the Grantee (State or Tribe). It is the Grantee's responsibility to ensure that the eligible Sub-Grantee (listed in this spreadsheet as Applicant Name) receives the award funding.

Legend of Category of Work

Emergency Work

Category A: Debris Removal - Clearance of trees and woody debris; certain building wreckage; damaged/destroyed building contents; sand, mud, silt, and gravel; vehicles; and other disaster-related material deposited on public and, in very limited cases, private property .

Category B: Emergency Protective Measures - Measures taken before, during, and after a disaster to eliminate/reduce an immediate threat to life, public health, or safety, or to eliminate/reduce an immediate threat of significant damage to improved public and private property through cost-effective measures.

Permanent Work

Category C - Roads and Bridges Repair of roads, bridges, and associated features, such as shoulders, ditches, culverts, lighting, and signs.

Category D - Water Control Facilities Repair of drainage channels, pumping facilities, and some irrigation facilities. Repair of levees, dams, and flood control channels fall under Category D, but the eligibility of these facilities is restricted.

Category E - Buildings and Equipment Repair or replacement of buildings, including their contents and systems; heavy equipment; and vehicles.

Category F - Utilities Repair of water treatment and delivery systems; power generation facilities and distribution facilities; sewage collection and treatment facilities; and communications.

Category G - Parks, Recreational Facilities, and Other Facilities Repair and restoration of parks, playgrounds, pools, cemeteries, mass transit facilities, and beaches. This category also is used for any work or facility that cannot be characterized adequately by Categories A-F.
