

## FY 2013 NONPROFIT SECURITY GRANT PROGRAM (NSGP) PROGRAM FUNDING OPPORTUNITY ANNOUNCEMENT (FOA) – KEY CHANGES

### OVERVIEW INFORMATION

There were no changes made under the program's Overview Information section of the FOA.

### FOA EXECUTIVE SUMMARY

Indirect Cost information was added to inform grantees of allowability, approval process, and evaluation.

### FULL FOA

In FY 2013, NSGP Program Priorities and Objectives were updated to reflect the Department's focus around National Preparedness System (NPS) implementation and Whole Community approach to supporting core capabilities across the five mission areas of Prevention, Protection, Mitigation, Response, and Recovery based on allowable costs.

The Other Critical Information section was updated to include standard language around National Preparedness and the National Incident Management System (NIMS) Implementation.

The FY 2013 FOA was updated to include the *ideology, beliefs and mission* language (added for the first time in FY 2012) to the Application Review Information and Selection Process section. The Eligibility Criteria requires eligible applicants to provide a copy of the organization's Mission Statement along with their application to the State Administrative Agency (SAA), as the *ideology, beliefs and mission* language has been included in the State Prioritization Worksheet (a separate attachment provided to the eligible SAA). The changes were made to maintain the integrity of the *ideology, beliefs and mission* language and overall scope of the program, and to support the steps States are required to take when identifying the organization types prior to final application submission.
